PRIMARY TEACHERS!

DO YOU KNOW The Matson Frame?

(Nos. 1 and 2—Two Sizes, School and Home.)

Are there any patrons of your School interested in educating their young children? If so, will you please send me their address.

IN PREPARING THE HOME FRAME (No. 2,)

WE HELD THESE VIEWS:

A better understanding between parent and child, and between parent and teacher should be established; the training of the child should not be hap-hazard, but systematic; the home ought to be auxiliary to the school.

We cordially invite all friends of education to call and examine the Frame. If not convenient to call, send for full descriptive pamphlet.
