Dear Jane:

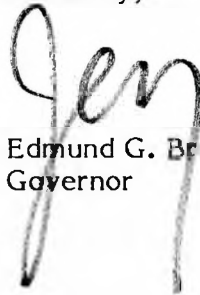

Thank you for your early support for my candidacy for the U.S. Senate. While I am not an officially declared candidate, your backing provides the foundation required for a successful venture.

Over the next few months I will be speaking out on the major issues affecting the state and the nation and, to that end, I would appreciate receiving your thoughts on those issues that you feel deserve particular attention.

As you know, the next few months will go by quickly and we must expand the base of support now. I look forward to your continuing support.

Thanks again.

Sincerely,
