## Cody Madison Advances To Chief Of Security

By Herman Waltzer

Lieutenant Cody Madison has been promoted to Chief of Leisure Village Security, filling the vacancy due to the departure of Max Moses.

Chief Madison has been a member of the Security Department staff since 1989. He has, quite literally, risen through the ranks after having started as gate guard and progressing to Patrol Officer, Sergeant and Lieutenant.

## Candidates By Petition

Filing by petition as candidates for the Board of Directors were:

Luella Kelwin, V 32 and Ethel Ann Pemberton, V 37.

The new Chief's interest in security/law enforcement was first evident at the age of 16 when he was an Explorer Cadet with the Camarillo Sheriff. Since then his training and experience includes graduation from the Ventura County Police and Sheriffs Reserve Academy and service with the Oxnard Police Department as a reserve officer. He has also received extensive first aid training, including the Village's newly acquired defibrillators. Academically, he has received a Bachelor's degree in Sociology with specialization in Criminology/Correction from California State University at Northridge.

Chief Madison stresses that his department's function is "to protect and serve" (borrowing from the LAPD Motto). He also emphasizes his department's interest is primarily in problem solving rather than in strict enforcement. In this context he would greatly welcome the cooperation of all residents.

Chief Madison has selected as his Lieutenant Randy Haumann, promoted from Sergeant. A new patrol car has been

## Spring-Cleaning Sale A First For The Village

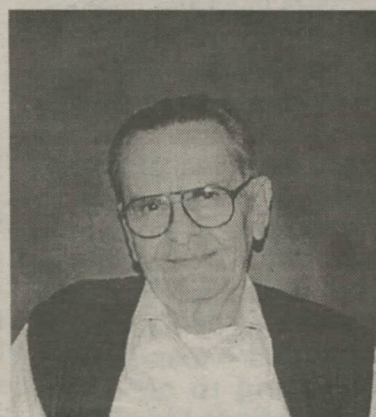

By Gertie Dorward

Leisure Village is having its first collective "spring-cleaning" sale. It will be held on Saturday, May 22 from 10:00 a.m. to 2:00 p.m. in the Pavilion.

Now is the time to clean out your closets and garages of unwanted articles. As the saying goes, "your trash is someone's treasure." For just a \$5.00 donation, a table or space will be reserved for you. This donation will be used for free refreshments for the sellers and buyers. Participants must display and sell their own merchandise and, of course, keep their money. If you don't want the monies garnered from your unwantedables, you may contribute it to the new Main Gate sign or defibrillator program of the Village.

For further information call Gertie Dorward 484-5509 or the Rec. office, 482-8961. All reservations will be handled by the Rec. Office.

Come join the fun, make \$\$\$...turn your unwantedables into cash.

## • OPINION •

### Check Out Committee Service

May is a good month to consider joining in Village activities. New homeowners are younger and more lively than those who moved into Leisure Village 25 years ago, of course. Newcomers may be newly retired and enjoying golf, bridge and tennis here. That's fine, but it would be great if they would also volunteer a few hours a week to help keep the Village running.

There are about a dozen standing committees which do a lot of research and serve in an advisory capacity to the Board of Directors. Their donated talents help control costs of the consultants which the Village would otherwise have to hire. If these advisors did not volunteer their help, costs of running the Village would climb even more swiftly.

Many "old timers" have slowed down over the years and are less active because of health problems. The newcomers are needed to replace their older neighbors on these essential committees for a few hours a week.

Look around in May. Committees are recruiting now and they will begin a new year of activities to aid the Village starting September 1.

Will YOU be among the workers or the watchers?

Will YOU be a contributor or just a critic?

### If It Ain't Broke....

One of the most comforting aspects of living in Leisure Village is the feeling of personal safety that our Security forces have provided to us.

Under the leadership and organizing ability of Chief Max Moses we were provided with a security system which is highly professional and very responsive to our needs.

In any emergency situation - be it being locked out of our condos, or dire and dangerous physical catastrophes, their response has been swift and kind and caring.

How many lives in the Village have been saved by these disciplined and professionally responsive and well led Security Officers under the unusually competent leadership of Chief Moses?

The value to our Villagers has been incalculable. It has been by far one of the most valuable selling points for our condos. It has helped to keep the value of our property safe.

Why, then, has the Board decided to terminate the employment of Chief Moses?

Chief Moses has been the man responsible for the outstanding caliber of our security system. His service and contributions to our outstanding security and safety needs has earned him much popular-

## RESIDENTS' OPINIONS

ity and respect. His 15 years of service to this Village earned him that popularity and respect.

The Board's action of termination has not been warranted.

The Board should rescind this unwarranted action.

This termination decision has been procedurally questionable and frivolous factually.

### May Cost Us

We, LV homeowners, have a tradition of involvement in Village affairs and Village operations. This has been productive, beneficial and healthy. However, we must be careful to make sure that such involvement does not mean that we become some 3500 Board Presidents. We can and should make suggestions, but we must trust and let the decisions be those of the Board which we elected just for this purpose.

This is especially true in matters involving staff personnel, where there is always the potential of a claim against our Village. The legal profession has made this a fact of life. **Actions and activities by homeowners, no matter how few --- especially from a position of misinformation, or lack of information --- can be very damaging to all of us. Such actions, especially**

**public statements, expose us all to exploitation by a clever attorney. In short, think twice before you act: your action may cost us all a bundle (of money).**

Ed Hawthorne, V 44

### Women And The Village

As the only woman on the Board I think that we need more women to become involved in Village affairs. The ratio of women to men in the Village is approximately 2-1 with women the majority. Despite this ratio there have been only eight women villagers, including this writer, serving on the Board of Directors in 25 years.

Of 11 Association committees (two special committees) 10 committee chairs are men and one is a woman. Of six Sub-committee chairs, three are men and three are women. In committee leadership positions we have 13 men and 4 women. This is not to depreciate men's participation. After speaking with several men now on committees, I feel they view more participation by women as good for the Village. Now is the time to volunteer for committee work for next year. Forms are available at the Recreation Office or the Association Office.

We need more women on the Board of Directors. At this time there is only one woman presented by the Nominating Committee for one of the three Board vacancies that will occur in June. I hope that additional qualified women run by petition, and that we have the opportunity to see more women elected.

Two current Board members, Max Heller and I, continue until June, 2000. Three new members will be elected at the Annual Meeting June 17. It is my hope that at least two of these new Board members will be women.

### Controversy

Are you aware that labor for Leisure Village is costing us about \$3 million for only 104 employees? Capital expenditures are over 80%. Eleven items on the 99/00 budget are \$599,325 less than 98/99 budget. Why is our 99/00 budget \$398,981 more than 98/99 budget? Here are a few items from the budget that account for the increase in our dues.

General Manager \$80,000 range per year, telephones \$20,000 per year, Internet connection for employees \$10,720 plus numerous other items. How much will we be paying for unwanted GTE cable at the end of three years?

Board of Directors, do the right thing. Place a freeze on monies not already spent for unnecessary items. Let's create a committee to scrutinize budget item by item in search for savings. Also revise the C.C.&Rs to eradicate unrestricted power now possessed by the Board. This should be put on a ballot for voters to decide.

Our Board is self-serving with an obvious buddy system. The appointed manager is inexperienced. Shortly after appointment, he totally disrupted the guard system by firing Chief Moses. Labor expenses have run rampant under this manager. We are not getting the respect or service that we are paying our good money for. Have you called the Association Office or Main Gate lately?

Humphrey, Atz, Shapiro have been approved by the nomination committee. Voters of Leisure Village, DO NOT vote for these men. Let's break the buddy system and keep dues in line.

Bill & Nancy Stubbs, V 39

I would like to take this opportunity to thank all of our friends and the RV Club members who sent cards and who called wishing for the speedy recovery of my husband Bill. He is recovering very well. It sure is a blessing to live in LV with so many friends.

Annette Glazman, V 7

I deeply appreciate the contributions and cards sent to me in memory of my son, Howard. Thank you also for your sympathetic phone calls. It has been a comfort to know that so many people are concerned about me. Thank you so much.

Ann Zimmon, V 34

Dear friends of Bertha Moy, we have moved. I get to see her at least once a day. Despite all the problems she's had, her spirits are still up and she tries hard to improve from the ravages of her stroke and several blood clots. She loves the many cards and notes received from her LV friends of 20 years. Our new address is Bertha Moy, c/o George Moy, Jr., P.O. Box 218, Damascus, MD 20872-0218. New phone number is (301) 253-3677. Via the internet, it's [gmoy@erols.com](mailto:gmoy@erols.com). Please continue to keep my Mom in your thoughts and prayers.

George Moy

All those cards, prayers, all those phone calls and that delicious food after my recent back surgery. There is NO WAY I can thank everybody individually, but you know who you are and that I love you all dearly! See you soon.

Connie Kreminitzer, V 42

Thanks to all my wonderful LV friends for their many kindnesses following my recent surgery. Your tributes, cards, phone calls and the myriad of other nice things they have done for me have helped so much. Though I have not yet fully recovered, I wouldn't have done it without friends!

Rose Fleiner, V 19

To all our friends and neighbors, your timely expressions of sympathy and condolences were most uplifting at the time of need! The memory of our brother Ben will always remain in our hearts. He was a resident of LV for over 15 years. His pleasing manner and outgoing personality helped him to

## Recreation Annex Work Winds Up By Bill Himstreet

When the Recreation Annex renovation is completed, Villagers will have a bright, functional addition to their activity resources. This 4,800 square foot area, developed within the east half of the original shuffleboard structure, makes very efficient use of the space.

The area was previously devoted to storage and provided the Players' Guild with work space for stage sets and rooms for the golf starters.

In the new arrangement, a large somewhat isolated space will accommodate two units for table tennis with plenty of room for players to pursue "kills" and other far-ranging shots. This space will also be available for construction of sets by the Players' Guild.

Then come three very important rooms to complement the facilities in our Recreation Center. For those who want simply to sit, chat, and relax, the Hospitality Room with a garden window and door to the picnic area, will be equipped with a sink, "fridge," and hand-me-down comfortable furniture donated by residents will be just the answer. Susan Rockwell, Recreation Manager, should be contacted about possible donations.

For those who have had trouble scheduling meeting room for committees and clubs, a new meeting room, to be known as the Village Room, will help to alleviate the problem.

According to Milan Weiss, who has shepherded this entire project through the maze of Camarillo City permits, inspections, contract work, and L.V.A. material and labor contributions on a daily basis, the Computer Room will provide a critically needed facility for teaching, learning, and updating computer skills. Eight work stations will be available.

All in all, this rehabilitation project appears to be

one that is "win-win." Already available space was used to satisfy vital needs at a limited cost.

Additionally, the former his-and-hers restrooms in the structure will be "unisexed" to provide lockable facilities for individual use when demand is

greater. The rooms will also be handicapped - accessible, a very important improvement required by law.

By the end of April the project should be completed. Watch Channel 8 for announcements about the open house for villagers to tour the new facility.

## Village Owes Gratitude To Volunteers Who Worked On Conversion By Lois Atz

The conversion of the Shuffleboard Building to the Recreation Center Annex represents a significant improvement in the recreation facilities available to residents of the Village.

Last year the Board of Directors authorized this conversion and appointed Milan Weiss, V.39, as volunteer coordinator for the project. He was responsible for arranging for the various crafts to do their tasks, such as plumbing, air conditioning, etc. He also arranged for LV Resident Services to install the drywall panels, insulation

and to do the interior painting. By his paying incredible attention to detail, the work was done properly, yielding a building that is a definite asset to the Village.

A significant element in the conversion was the provision for added electrical service to the building. Volunteer Phil Belsky, V.44, designed the electrical system which included power for the 10 tons of air conditioning and an isolated power system for the computer room.

Phil also designed the modification to the main power panel in the Recreation Center to accommodate the added electrical load presented by the new Recreation Center Annex.

The Village owes a big "thank you" to these Villagers who gave generously of their time and expertise to provide Leisure Village with a great facility at the lowest possible cost.

## LOOKING AT CHANNEL

### By Jack Whalen

This month continues brief profiles on the volunteers who keep Channel 8's continuous notices about the Village events up-to-date.

Josie (Cuffari) Markey of Village 23 is a long-time Channel 8 volunteer and one who has been a very active LV resident until recently. Now she spends much time with husband Ted, who is not in the best of health. Still, Josie spends time with our closed-circuit TV station and, as always, keeps current on Village activities. She was a licensed real estate representative in Camarillo back in 1968.

She also, for a number of years, was on the Voice Of The Village reading the notices for the sight-impaired.

Village 42 resident Jerry Schneider is also a long-time Channel 8 volunteer, easily some 7 or 8 years. Jerry is also a food share volunteer and enjoys both golf and bowling.

Heading the programmers schedules and activities is Village 1's Art Kaufman. He hardly needs an introduction - with volunteer work for the Player's Guild and all stage activities. Art's a former Hollywood "gofer," which means he was a jack-of-all-trades with expertise in lighting. He worked on many of the movies' top productions and can tell many tales of Hollywood's great stars and directors.

### MADISON.....from pg 1

ordered as well as two additional automatic defibrillators for the Security Dept.

Chief Madison recommends that residents do not use permanent blocking of "Caller ID," since this could possibly prevent Security from locating addresses of emergency calls due to caller incoherence or inadvertent hangup. He also would recommend a complete motion detection surveillance system around the Village perimeter but only if a chronic problem develops since this would entail considerable expense.

## Village 32 Celebrates With Group Dinner

By Sylvia Streisand

The party may be over, but the happy memory lingers on. On March 28, 1999 Village 32 celebrated its 20th anniversary in the MPR, with its residents and guests partaking of delicious food from salad to desserts, all prepared by our very own capable chefs Joe and Edith Kremer and their willing helpers.

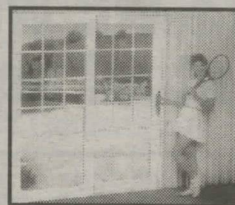

The Village 32 annual neighborhood come-together was started by Bea Allen in 1979, and has been successfully celebrated every year. A few years ago the baton was passed to Joe Kremer and his talented wife Edith,

who, with enthusiastic neighborhood support, have very ably carried on this long tradition.

Master of Ceremonies Chuck Donnel invited our newcomers to introduce themselves and they were warmly welcomed.

A. D. Flowers told some jokes and the afternoon continued with warmth and good fellowship. Everyone commented that this year's event was the best so far.

**TIKVAH GROUP** will meet on Friday, May 21 at 7:30 p.m. at Heritage House, 903 Carmen Drive, Camarillo. For information call Selma Lich, 484-8129.

By Sig Jaffe

The Education And Recreation Committee is presenting a series of talks by residents who either have had exciting experiences during their careers, or who have hobbies or endeavors the resulting pleasures of which they wish to share with the rest of us.

The first of such presentations will be offered on successive Wednesdays starting on May 5 from 1-3 p.m. and continuing through May 26. The featured speakers include:

Bernie Burton will talk about his experiences as a journalist. His presentation is entitled, "From Copy Boy To Reporter In Several Difficult Steps." His break came when, during a break in combat in Italy, an officer invited him to join him in publishing "The Stars And Stripes," an army newspaper.

Martin Ettinger will demonstrate his extraordinary talent for sculpturing portraits in a talk entitled "Clay Portrait Sculptures: Getting

Started." Martin was a dentist before retirement. Many of you may have seen his remarkable works in the arts and craft shows and would like to learn how he does it.

Leon Kaplan was a tool-maker and president of a company that manufactured automobile parts and accessories, is now an Advocate For Senior Concerns. He is chairman of a group called The California Alliance To Protect and Strengthen Social Security. As a member of the California Commission on aging, he continues to present reports to the California State Legislature and to the White House in Washington D.C. ## COMPUTER CLUB

**By Winifred Singleton**

Computer club members ask "Are we there yet?"

They are referring to the new Computer Learning Center and the answer is "almost!" The announcement of the Grand Opening will certainly be on Channel 8 and the Club Bulletin Board and will be spread around the Village by Club members.

This must be one of the most eagerly awaited additions to this active Village, as several new members sign up at club meetings every month, all eager to learn.

Meanwhile, at the March general meeting, the Board members were unanimously elected to continue to serve for another term: Mort Marcovitz, pres; Bill Obenchain, vp; June Hirsch, secy; and Duane Waln, treas.

The Club home page web address is <http://home1.gte.net/lvcc1/index.html>. Out of the 238 members on the latest list only 82 do not have E-mail addresses. E-mail is a wonderful way of keeping in touch with younger generations who are too far away for frequent visits and have no time for writing letters.

At the April meeting Todd Frank from Cyber-3 demonstrated the new I-Mac computer and its user-friendliness. The next meeting will be on May 14, 10:00 am in the MPR and the guest speaker will be from Interlink Corp., telling about keyboards, mice and touchpads.

For information on the Elderhostel PC beginners class from May 24 to 27 call Carol Wolverton at 482-9669

Open Board meeting Monday, May 3 at 10 a.m. in the AR. Homowners are urged to attend.

The Open category winner was Larry Coleman, second place was taken by Barbara Simons, and third place by Jerry Cohen.

Next competition is scheduled for May 5 and the assigned category is Patterns & Textures.

Competitions and programs are held the first and third Wednesdays of the month in the MPR at 7:30 p.m. All villagers are invited to attend and enjoy these evenings along with members of the club. Refreshments are served.

## PLAYERS GUILD

**By Anne Wolfson**

The Players Guild Workshop for April 15 was a group of students from Newbury Park High School performing excerpts from Gilbert and Sullivan's "Pirates of Penzance." This group was Directed by Jeanne Marquie Reyes and Mark Reyes and is a very promising group of young performers, who gave a delightful evening of entertainment.

Next month, May 20, the Guild will be entertained by Producer and Moderator Milt Mankoff in a production of "What Was My Line?" Members will find out how a T.V. production is made, and have fun trying to guess, along with the panel, what their line was. Assisting Milt will be Channel 8's Art Kaufman, George Huddleston, and Bob Vanderhaven.

## THE CERAMIC PLUS CLUB

**By Robert Nathan**

At the March 25 meeting, the members of the Ceramic Plus Club were pleased to welcome back Irene Wilkman who has been recovering from a severe auto accident. She is making fine progress and we hope she will soon be back in the President's seat.

After the business was concluded, the members were treated to demonstrations of various finishing techniques for ceramics. It was wonderful way to show that the same clay can be treated in many different ways.

The April 22 meeting was devoted to photographing the work of individual members of each of the divisions of The Ceramic Plus Club.

The next meeting is the fourth Thursday at 10:30 a.m. in the Ceramics Rm.

## L.V. MEN'S GOLF ASSOCIATION

**By Dick Hof**

The regulation golf tournament scheduled at Knollwood April 1 by the Men's Golf group was cancelled to lack of required participation. The Tournament of Champions will be held on May 20 in conjunction with the regular regulation tournament at Elkins Ranch.

Nominations for new 99-00 Men's Golf officers will be held at the May 11 meeting.

Several individuals have expressed an interest in having an "Introduction to

Golf" seminar, both for beginning golfers and as a refresher for long-time golfers. Such subjects as the use of certain clubs, rules of golf, golf courtesy, scoring, etc. would be presented by individuals in the golf associations.

Although an LVMGA project, ladies would certainly be welcome to participate. This would not be limited to golf association members, but open to all Villagers. To make a survey of interest before embarking on the project, please call Cliff Kemp, 482-2512, or Rosemary Hanson, 445-9076, if you are interested in participating. We need your input as soon as possible.

## AMATEUR RADIO CLUB

**By Paul Kelwin**

The LV Amateur Radio Club had a very productive meeting in April, tending to club business.

On April 17 after breakfast together at Michael D's, six of us went to the Camarillo Police Dept to re-up our RACES (Radio Amateur Civil Emergency Service) cards. That means we're registered to be called on to help any place in Ventura County during a disaster.

RACES is a very active organization. Most of us report in to the control station of the Area 3 (Camarillo-Somis) each Tuesday evening. We sift frequency to report in, together with seven other areas. About 150 Hams from all over Ventura County answer.

Marge May, (KB6HAG) assigned the control person for the Thursday evenings at 7 p.m. on Radio Net for April. That proves the equipment is ready, willing and able!

A new member, Jerry Orth (W6JTE), was welcomed.

An ex-member, Bob Guhl (K6JTE), donated a much needed desk for the ECC (Emergency Control Center). The club thanks him very much. Bob and wife Joan live in a Camarillo retirement facility now.

The meeting was adjourned to the ECC to admire and thank Pres. Ed Vasquez (KC6UOO) for the installation of brand new carpeting. This message was sent by radio to Eddie, who was down with the flu at home.

The next meeting will be on May 4 in the Sun Rm. at 10 a.m. Any newcomers who were or wannabe a Ham, please join us then.

Many thanks to Al Fox for his generous donation to the Hearing Aid Fund to purchase additional headsets for hearing impaired residents.

The next show will bring Lainie Kazan, singing star of TV and movies to Leisure Village on July 30. Sale of tickets will be announced soon.

## BILLIARD CLUB

**By Phyl & Sid Yablun**

The Billiard Club met on March 23. The usual reports were given and there was a superb turnout. What a great group of members!

The tournament was discussed. Sam Kay, first v.p., gave as many rules and regulations as possible. It should be lots of fun, win, lose, or draw.

The six-week program of teaching pocket billiards was concluded. President Edith Dowsing then had all

the instructors hand out awards to their pupils for a job well done.

Members are urged to be sure to clean the tables when through using them. It will prolong the life of the tables.

Wonderful goodies were served at the evening's end. And remember, everything hurts - and what doesn't hurt, doesn't work.

**SPIRITUAL GROWTH GROUP** meets each Tuesday in May at the home of Dorothy Santrizos, 44017 V 44, at 9:30 a.m. For information call Dorothy Holcomb, 482-5293.

## Know Your Community Resources: Camarillo AARP

**By Lillian Hawthorne**

This is another in a series of articles about organizations in the community which provide special services for seniors. Again we caution that these are not intended to be recommendations or advertisements, but for information only.

AARP (American Association of Retired Persons) is a national organization of people aged 50 and over which provides its members with monthly publications about issues affecting seniors: namely legislative and political information, and special pharmaceutical and insurance services. AARP is particularly active in matters pertaining to Social Security and Medicare changes, consumer protection and senior health care.

In addition to these national programs, AARP also sponsors local chapters throughout the country which focus on resources and issues in each particular community. Bernie Tacsik is the newly elected president of the Camarillo chapter which will be celebrating its 20th birthday in June of this year. There are also other chapters in Ventura County, but each one operates independently.

The primary function of the local chapter is to provide its members with information about programs and services available to seniors in Camarillo, and to assist them in utilizing these resources. The chapter holds monthly meetings

which feature city officials and other informed speakers. Recent programs have covered the following subjects: 1) elder abuse -- how to recognize it and what to do about it; 2) in-home care - what services are provided and how to be eligible; 3) programs for financial and mental health assistance for seniors in Ventura County; 4) coping with hearing problems; 5) shopping services for the homebound.

In addition, the chapter sponsors "55 Alive" classes for senior drivers, and makes available updated information about important national legislative and political activities affecting

seniors. Besides these educational functions, the chapter provides opportunities for its members to participate in social activities at the Camarillo Senior Center, and encourages and assists them in volunteer work in the community.

The local chapter meets on the third Monday of each month, at 1:00 p.m., in the Camarillo Senior Center located at 1605 Burnley Street. Membership dues are \$5 per year, and you must belong to the national AARP in order to become a member of the local chapter. For further information, please call 482-4881.

The club meets every third Friday of the month, at 1:30 p.m. in the AR. After a short business meeting we are entertained by our member musicians. The next meeting is Friday, May 21.

### GEM AND MINERAL CLUB

### By Fred Ervast

The Gem and Mineral Club continues to have interesting speakers at each of its membership meetings. For the May 26 meeting, the speaker will be Bob Backus whose talk will be entitled Making Boxes Out of Rocks. All residents and their guests are most cordially invited to attend. The meeting will be at 7:30 p.m. in the MPR.

A new class in beginning lapidary started on April 14, and is being conducted on Wednesday afternoons from 1-3 p.m. in the lapidary room. It is not too late to enroll. If you are interested in the class, please call Fred Ervast, 389-0787.

happy occasions, too, not just the sad ones.

Have you paid your 1999 dues yet? You needn't wait for the next meeting, just mail your \$5 check (or \$10, if your husband's a member, too) to Marion Sanders at 15139 Village 15.

The program for the day, introduced by Treasurer Wanda Earney, was a demonstration of the work of the Ventura County Sheriff's Department K-9 Unit.

We were treated to demonstrations by two deputies and two dogs, Corporal Cory Rubright and Canto, and Harold Orr with Bär (pronounced Bear). The dogs are bought from breeders in Germany and Czechoslovakia for \$5000 each and are purebred German Shepherds. Bär is an unusual long-haired Shepherd. Another \$5000 is spent on basic training before the dogs are brought here. Their first month here is spent learning commands and bonding with their handler. The second month they are trained in tracking narcotics and suspects. They are

also used to track missing children.

Because of their early training, twenty basic commands are in German. They also obey several hand signals.

They only bite on command, usually to disarm a suspect. Part of the dogs' training is to protect their handlers. Should the handler be attacked while out of the car there is also a remote control that opens the rear door and lowers the front window to allow the dog to go to the aid of the handler.

The dogs live at home with their handlers. Both Cory and Harold have children and the dogs play with them. They do not play with each other - only train together. Their favorite toy is the padded sleeve used to train them and they really don't like to give it up!

After the very impressive demonstration, the dogs patiently accepted much petting from a captivated audience.

On May 6, our treat will be a performance by the Somis Show-stoppers.

### INDOOR OUTDOOR GARDEN CLUB

### By Lois Atz

The program of the Garden Club meeting on Thursday, May 13, will feature as speaker and demonstrator Teddy Colbert. She lives in Ventura County and has been featured on national TV shows, includ-

ing the Martha Stewart program.

Teddy will show how to build a wreath made of live and growing herbs.

The Garden Club gathers at 9:30 a.m. in the MPR for a social half hour before starting the business meeting which Alice McKnight, pres., will begin about 10 a.m. After the business session, Claire Sortomme, program co-chair, will introduce the speaker.

## Profile: Sharon O'Conner

By Jack Whalen

Immediately upon meeting Sharon O'Conner it is apparent that here is a lady who lives for sports action. Let's meet this new arrival who has been here for less than 6 months and lives in V 41.

Sharon is a California native, spending her young life in the Los Angeles area. Following high school she plunged into an early marriage and while the union produced two fine children, the parents were "much too young" and the marriage failed.

For a while she worked for Douglas Aircraft in El Segundo but soon moved to the Valley where she worked as a bookkeeper for the J.C. Penney Company.

Tennis was her love in after hours and the many trophies in her home attest to her prowess on the courts.

With her mother in failing health, she continued living in the Mission Hills home until her mother passed away. Leaving the home to her son, she choose Leisure Village as an active retirement spot.

Kay Bell, considered by many to be the top tennis player (regardless of sex) in L.V. comments, "I've played against Sharon a number of times and she's a fine player with her game well under control."

What else does Sharon do? Well, she loves hiking, enjoys Western Country dancing, can often be found on bicycle paths and is a member of SAS (Single Active Seniors).

Her home in Village 41 is very attractive, with a back yard that features many tall trees and much greenery.

With a daughter nearby in Santa Barbara and a son in Mission Hills, she feels very fortunate. The lifestyle here is all and more than she expected.

"This is close to paradise, for sure," she says with a smile.

## The Village Painters

By Ruth W. Miller.

The April meeting of the Village Painters featured Maxine Fritz, a Villager and long time member of the club, who gave a presentation on the art and craft of Quilting. Maxine brought many examples of different patterns of quilting and explained about different ma-

terials used and the methods employed.

The scheduled meeting for next month will be a presentation by Ruth Miller on Art Therapy. Everyone is invited to attend at 1 p.m. on May 5 in the MPR.

The Village Painters sponsors an art class in the Lanai room every Monday from 1-3 p.m. Beginners and experienced artists alike are welcome. Pastels, paper and tools are supplied along with instruction.

Whether you are interested in buying or selling property, I highly recommend Dave and Corrine Barlow. They will do all they can to see that you get the very best deal. Before signing any legal papers, they explained the contents so that I would understand what I was signing. They also helped in a lot of little ways to make the transition easier for me. You couldn't get anyone better to do the best for you!

Just a note of thanks for your help and advice in furnishing me with all the information regarding the sale of the property in Leisure Village.
