

12:00 P.M.

Dear Patricia:

Just got back to the hotel after having dinner & an evening of pictures & talk with Bud Applegarth's family and former Dean Dimmick. Just got your message.

Please phone me when you come in. I don't care what time it is unless you are too utterly fagged in which case call me in the morning — or I'll phone you around 10:00. I'm awfully sorry to have missed you call. Guess I'd better tell you where I'm going. Love Carl
