شرح الشمائل

Foreword

With the publication of the 1938 La Torre, we bring to a close the year's work. If it has been work it has been fun, too, and it is with a great deal of pleasure that the staff presents this book to the Sudent Body. We only hope that in years to come it will bring back enjoyable memories to you.

Dedication

To the Tower we dedicate this book. To the Tower and all that it represents to the students of San Jose State College — friendships made, honors attained in the various fields of learning — a goal achieved.

Dr. T. W. MacQuarrie
President

President's Message

In our headlong progress as a nation, it is quite possible that we have somewhere taken the wrong direction.

A recent cartoon pictured two jolly, fat policemen riding along a country road. Said one, "Y' know, Jake, I believe we're on the wrong road. But we're making such good time that we'll just keep right on."

Truly we are making good time, but poverty is increasing among us; crime is increasing; gambling, liquor, social diseases, suicides and taxes are increasing. Education has not been able to correct our ills. Evidently our basic principles are at fault.

Now we are suffering a relapse from the paralyzing economic depression of the early thirties. We are striving mightily to find a way out. We have tried to buy our way out, beg our way out, bluff our way out, dream our way out. Only one method remains:

Some day we shall have to work our way out.

Athletics

The Athletic Year

The athletic teams of San Jose State have just completed a year which will be well remembered in the athletic history of the college.

The football team, facing such strong teams as Santa Clara, U. S. Marines, and San Diego State, emerged with a record to be proud of. The Spartans ran up enough points to be recognized as the nation's high scoring team. Out of the fourteen games on the schedule, Coach Dud DeGroot's charges lost only two, one to Santa Clara, the Sugar Bowl champions, and the other to San Diego State by the slim margin of one point. The gridders then made a trip to the Hawaiian Islands to top off the successful season and won benefit games from the University of Hawaii and Kamehameha Alumni.

The basketball team won the Northern California Intercollegiate Basketball Conference championship in the second year of its organization. Off to a slow start, Coach Bill Hubbard's basketballers turned on the heat in the second round of play to cinch the title.

Track and baseball, under the able Coaches Glenn "Tiny" Hartranft and Gil Bishop respectively, produced outstanding teams. Coach Portal's boxing squad again was outstanding, as proved by record attendance at the matches in the local gym. Gene Grattan deserves much credit for again donating his services as a successful coach of a team of title holding grapplers.

Both the golf and tennis teams won championships in their respective conferences. The swimming team was composed of record-breaking men who cooperated in making for a successful season. Both the varsity and the freshman water polo squads won their conference championships. The soccer squad, with three men on the all conference teams, proved to be the best in the history of the school.

The Freshmen teams showed promise of bringing forth many future prospects for next year's varsity squads.

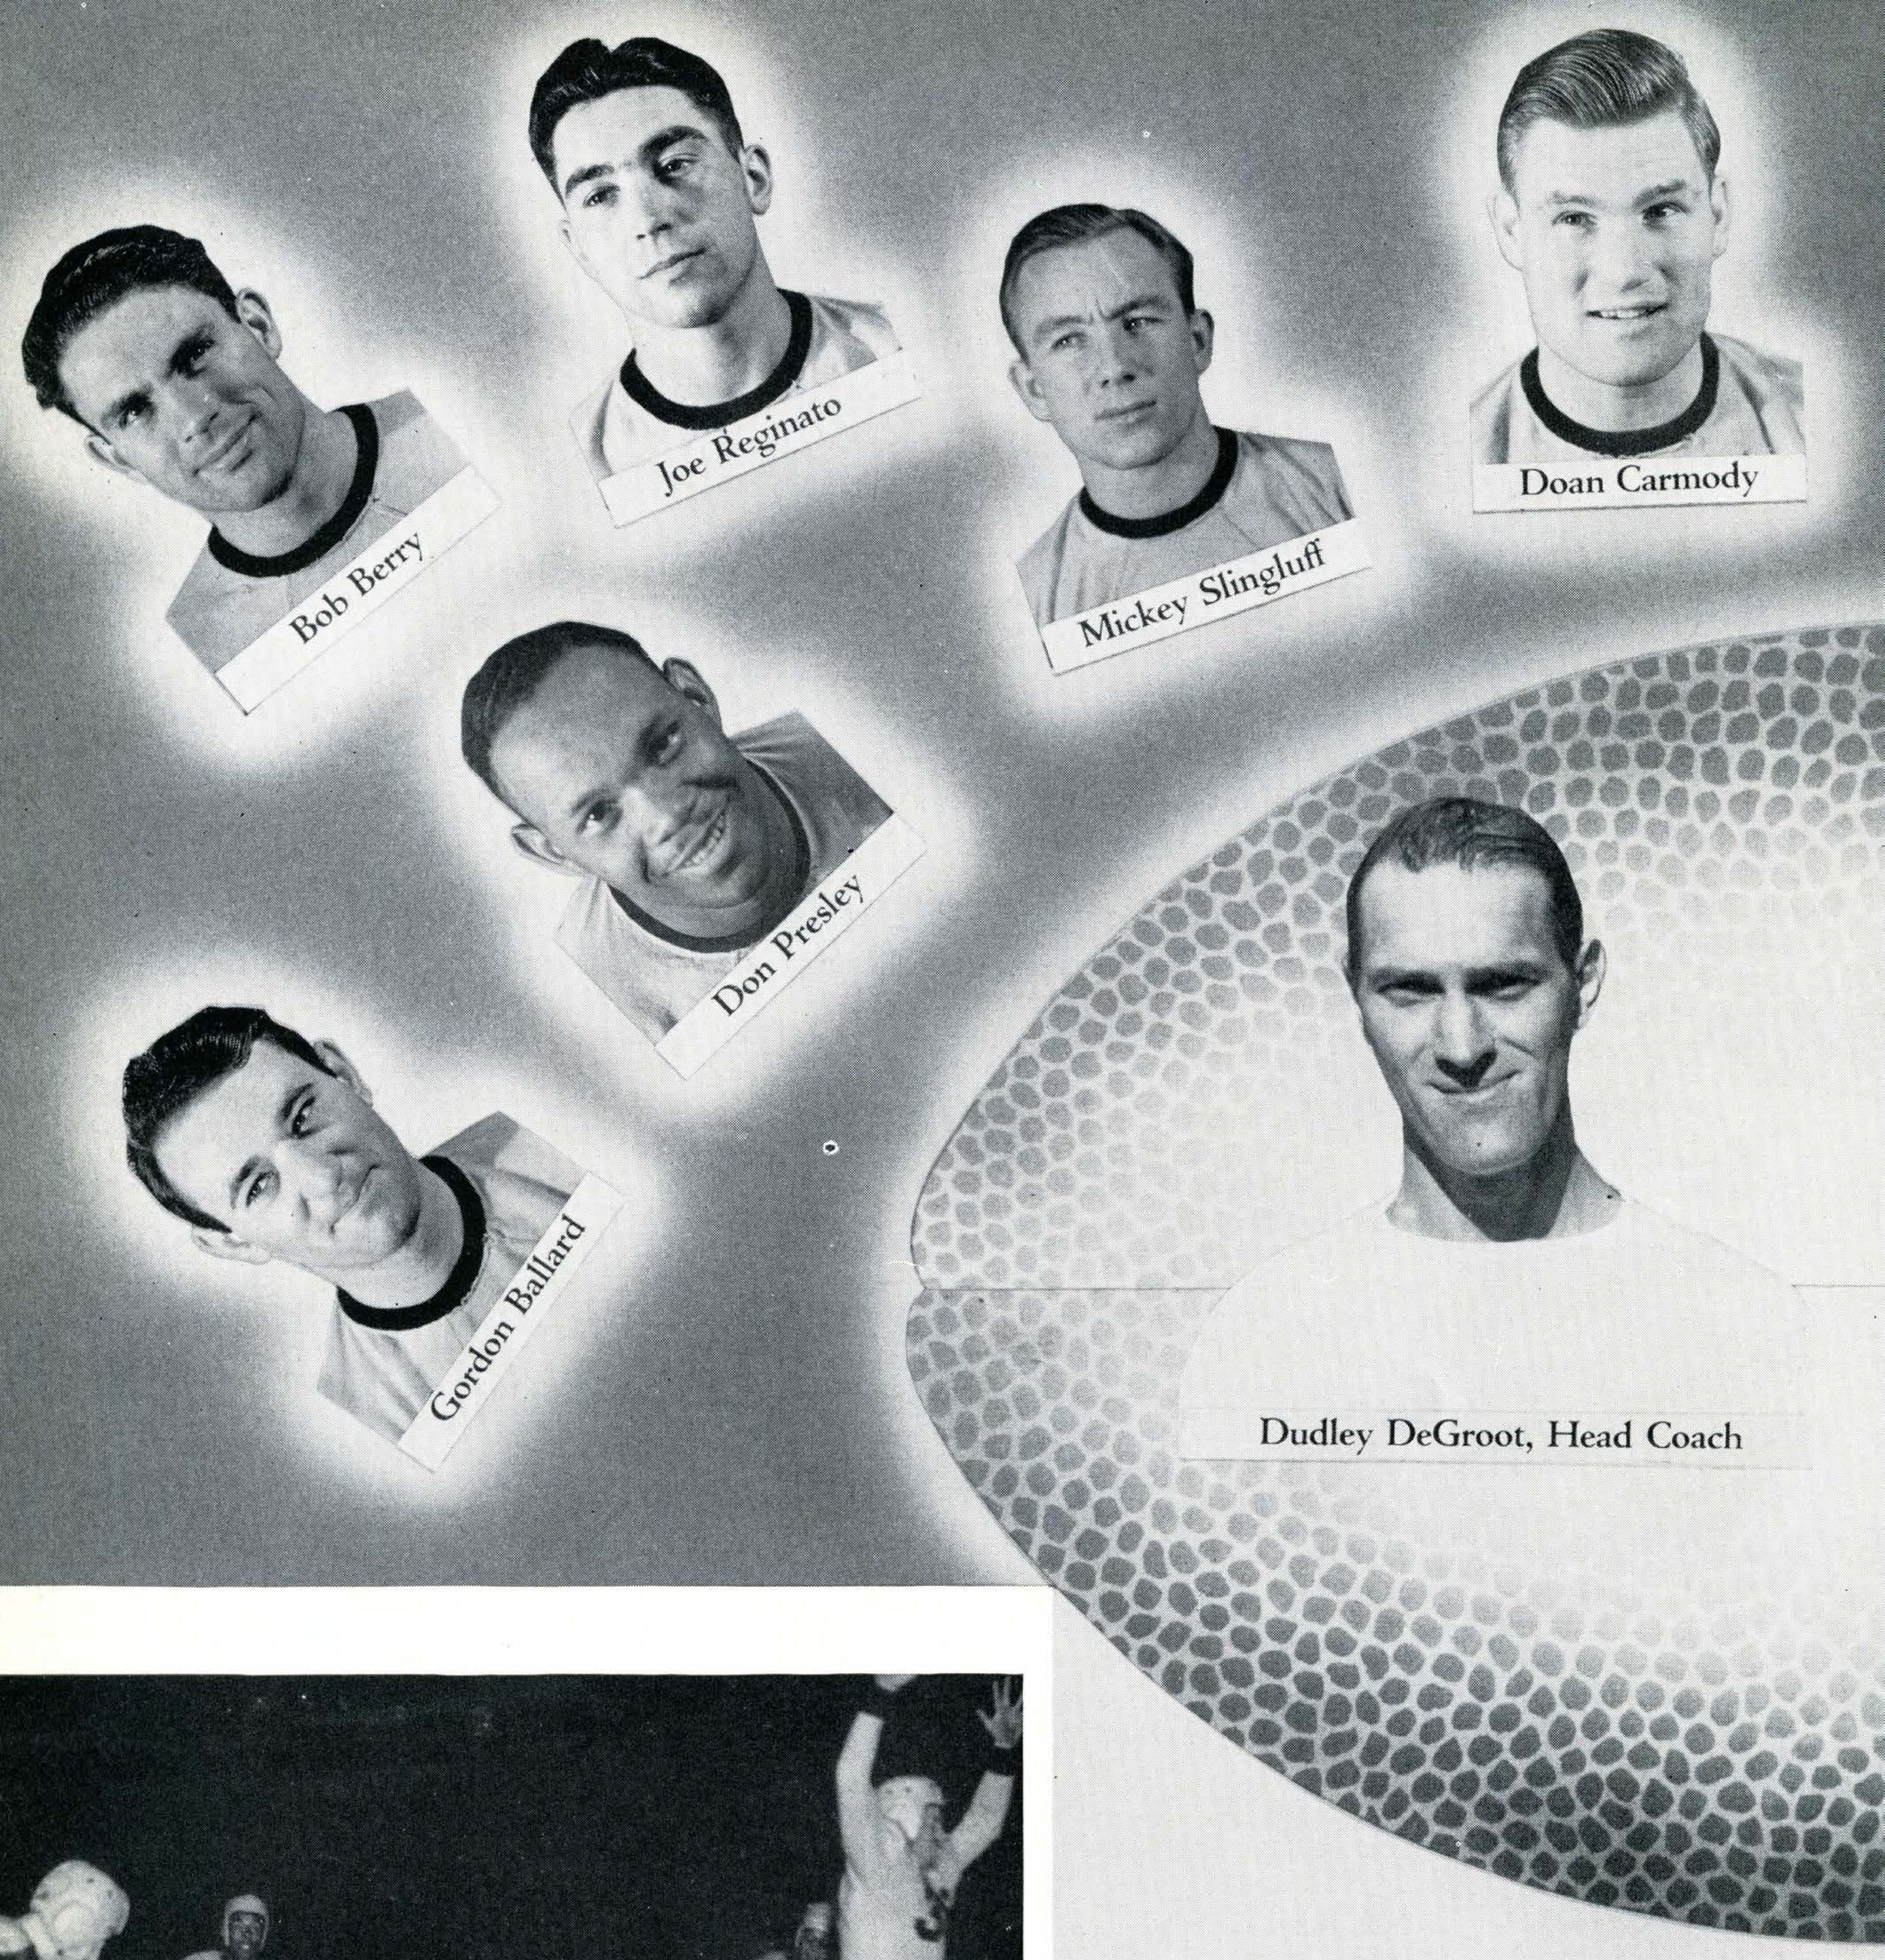

Varsity Football

Playing most of their home games for the first time under arc lights, and standing at the head of the nation's highest scoring teams when only half way through their own schedule, members of the 1937 San Jose State varsity football team gained the reputation of being the greatest aggregation ever to play under Spartan Mentor Dud DeGroot. Crowds averaging better than ten thousand spectators witnessed the games in Spartan Stadium, and saw San Jose beaten only twice on the home field.

Starting the season with a wild 59-0 onslaught against the College of Idaho on registration day, the Spartans worked through an impressive string of victories climaxed by a 31-6 win over the traditional jinx-team from Willamette University and including a narrowly garnered five-point margin over Alonzo Stagg's rugged College of Pacific Bengals in a 12-7 San Joaquin Valley game. Only the San Diego Marines, Santa Clara's Sugar Bowl champs and the San Diego Aztecs marred an otherwise perfect San Jose State record. Trailing the Marines by seven points on a hot Southern California day in their first afternoon game, the Spartans came back to tie up the score in the last minute of play. Santa Clara, already widely hailed as a Sugar Bowl contender, was held to a 25-2 score, and the Aztecs, freshly adorned with their Southern Conference title, went home with the best side of a 7-6 score after the Spartans put up a hard — though fumbling — scrap despite the weary weight of an extra long season. An unusual San Jose victory was a 13-2 game with Humboldt State, played in light jersies and knee length dungarees in a driving Northern California rain. Other San Jose victories and scores included La Verne College, 40-0; Northern Arizona State, 21-6; Cal-Tech, 48-6; Tempe (Arizona) State, 21-7; Redlands University, 12-0. Immediately after the Thanksgiving Day game with San Diego State, twenty-seven members set sail for Honolulu where their annual mid-Pacific Shrine Benefit game with the island university gave Sparta a 7-6 win for the trophy room, and where a 13-0 victory over the Honolulu town team wound up the fourteen game season. LeRoy Zimmerman's uncanny passing, kicking and running ability, Lloyd Thomas' smooth work at end, and the signal calling of Keith Birlem, named on Santa Clara's all-opponent squad, stand out among the individual performances by 1937 team members.

Varsity Basketball

The 1937 basketball squad, under the leadership of Captain Frank Carroll and Coach Bill Hubbard, came through the season with the Northern California Intercollegiate Basketball Conference Championship after getting off to a poor early season start. Lloyd Thomas, guard, proved to be the smoothest and most dependable player throughout the season. Captain Frank Carroll and Kotta at forwards, McPherson at the other guard, and Willie Radunich at the center spot turned in excellent showings. The series of three games with Santa Clara proved to be the most exciting contest ever witnessed here at San Jose when the last encounter turned out to be the play-off for the Conference Championship, which the locals won handily by the score of 50-44.

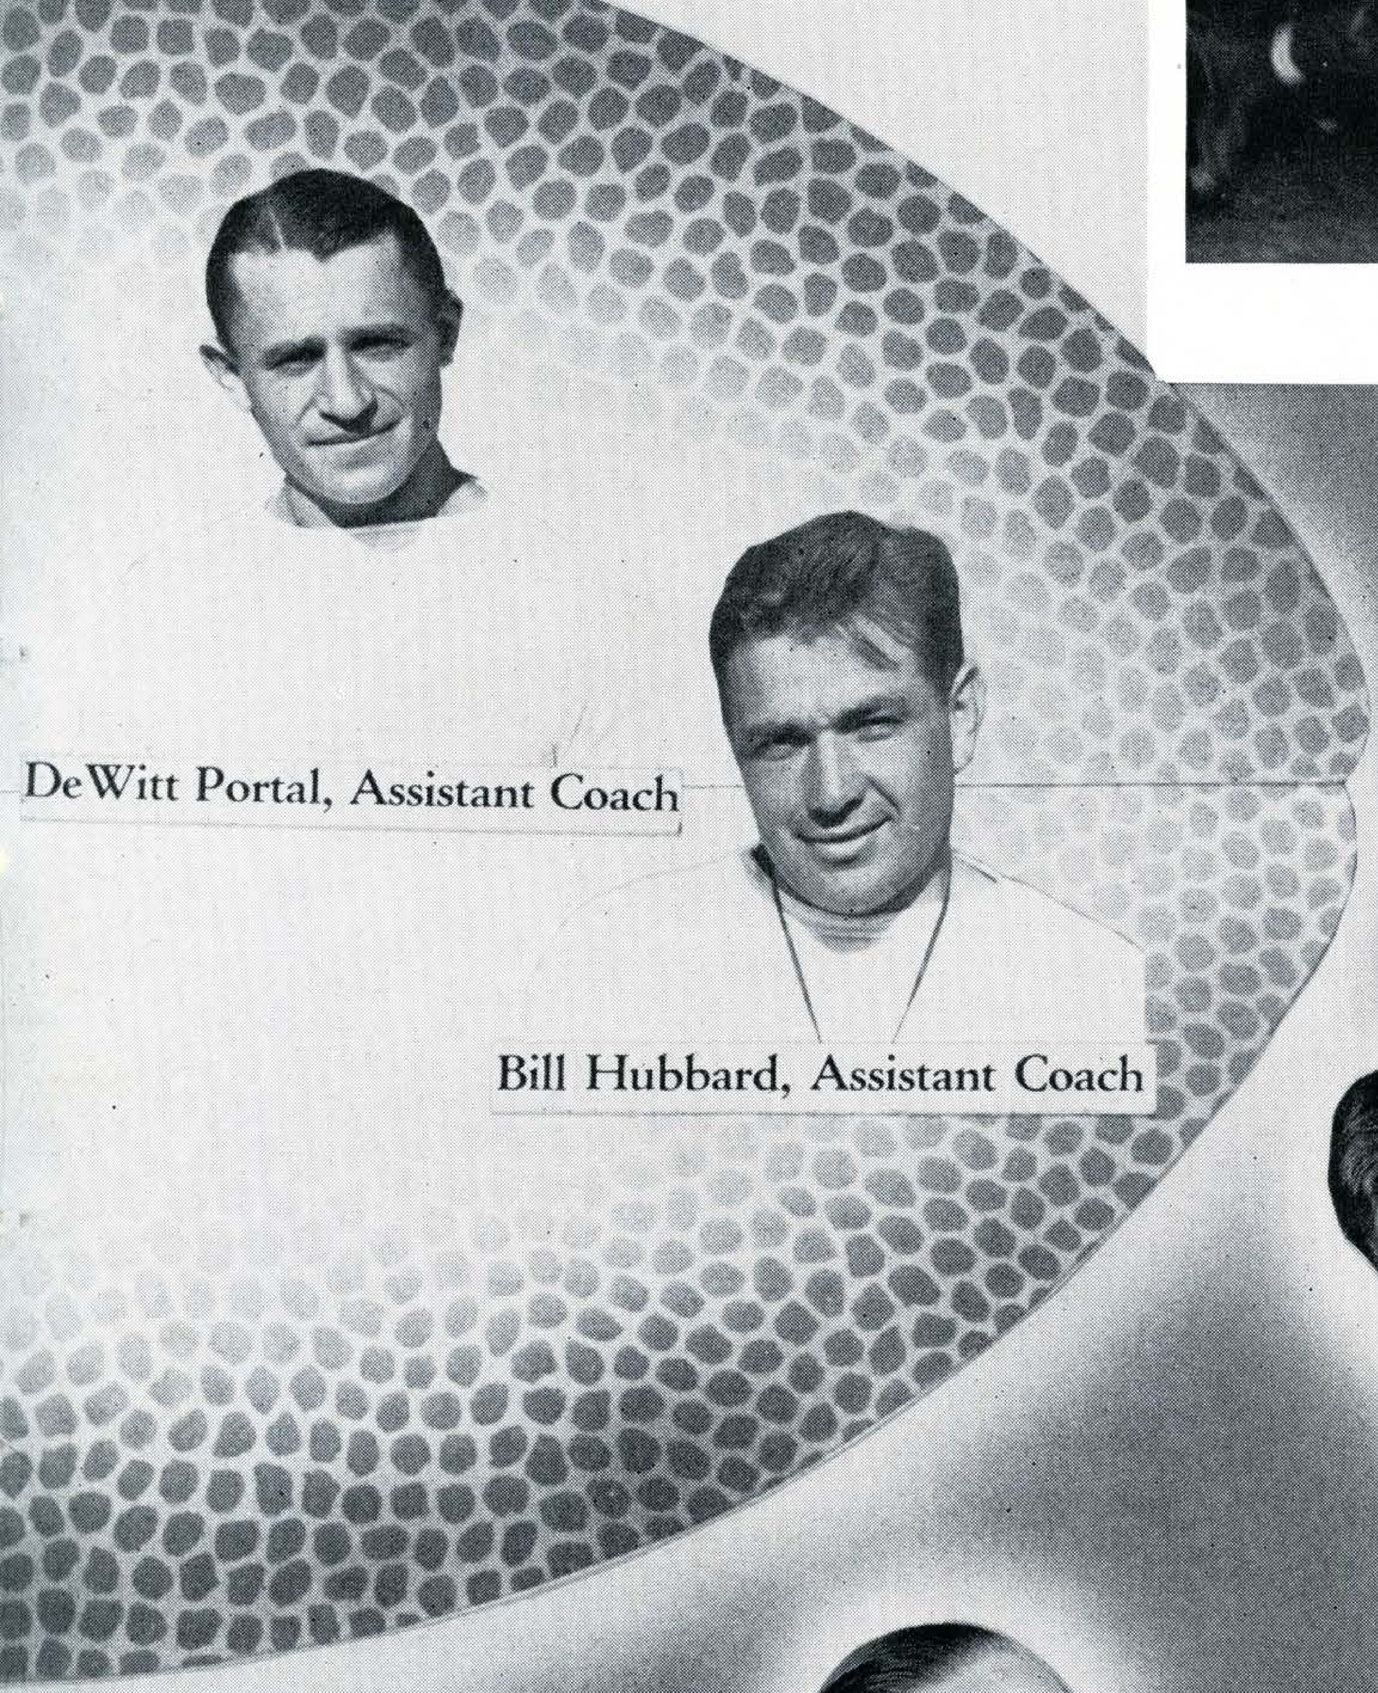

Bob Titchenal, San Jose center, is blocking the kick that put the Spartans in a scoring position against Pacific. The ball went out of bounds on the Bengal 14-yard line. Thomas and Buffa are coming in.

"Hop, Skip and Cheer" — State's big annual musical comedy given May 6th in the Civic Auditorium for the first time. Leading roles — Ferguson and Rapose. Yes, they were the romantic element. How could you forget those Continental Brothers, Harbaugh, the chorus line and others?

SENIOR SNEAK WEEK

Secrecy--kidnapping--fun--and frolic composed the activities of the Juniors and Seniors during Sneak Week. For the first time in the history of the school--the Juniors were ten minutes late, but they ducked the Seniors.

It was quite an impressive procession that the Seniors made traveling through the heart of San Francisco to Muir Beach to participate, along with the late Juniors, in one of the most eagerly awaited activities of the year.

CAMPUS LIFE

The campus life of the average State student includes many and varied activities--from Sunday night bull sessions, dances, smokers and teas--to "boning" for "exes" and attending classes.

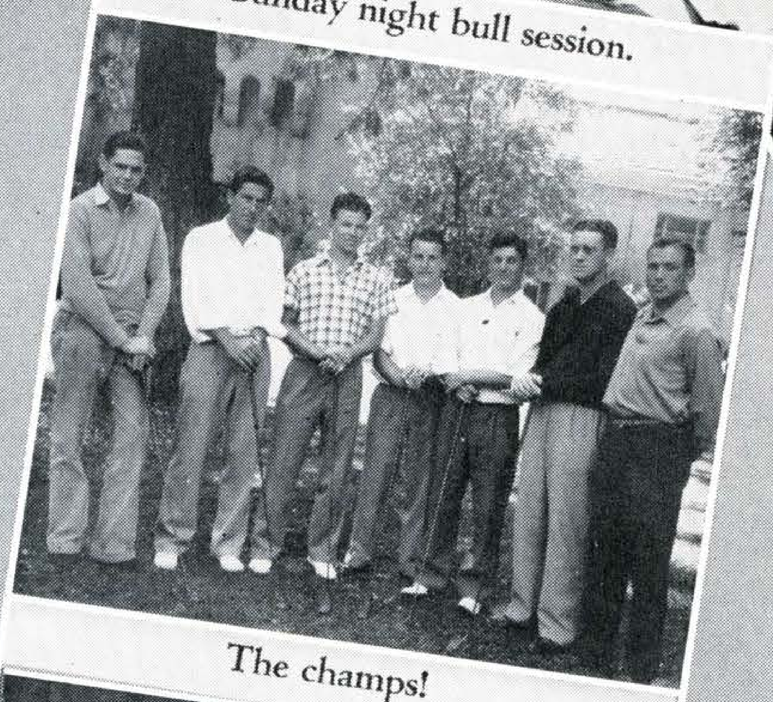

The student should never lack diversion, no matter what form it may take. All that is necessary is the desire.

FOOTBALL ENTHUSIASTS

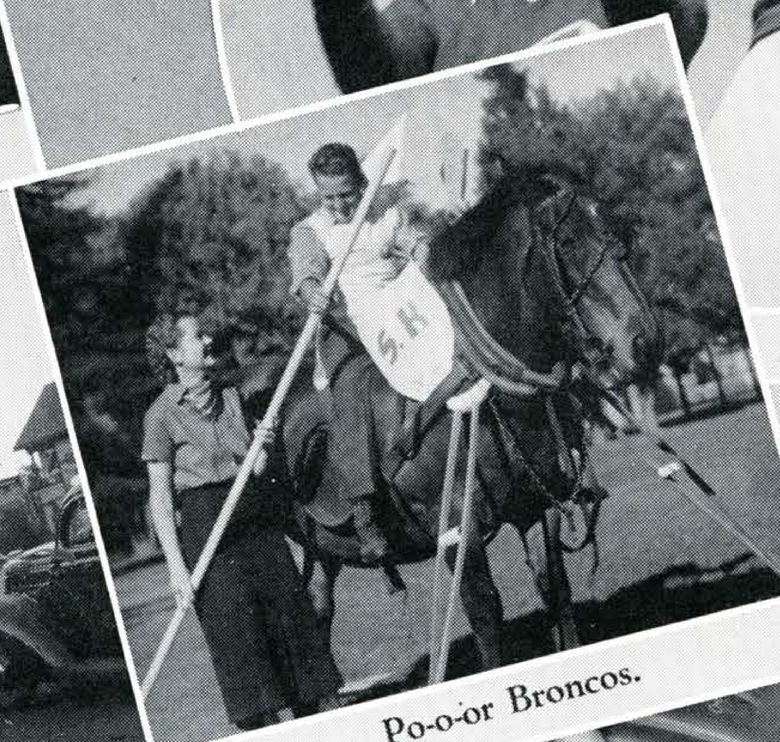

San Jose State's football team scored high in the eyes of the campus this year as well as providing background for many gay events.

The game with the College of Pacific was preceded by the roar and cheer of the annual noise parade. Much rivalry was seen when San Jose met its close neighbor, Santa Clara, in a game that was full of thrills and surprises. San Jose again traveled to Hawaii to come home with flying colors of triumph and success.

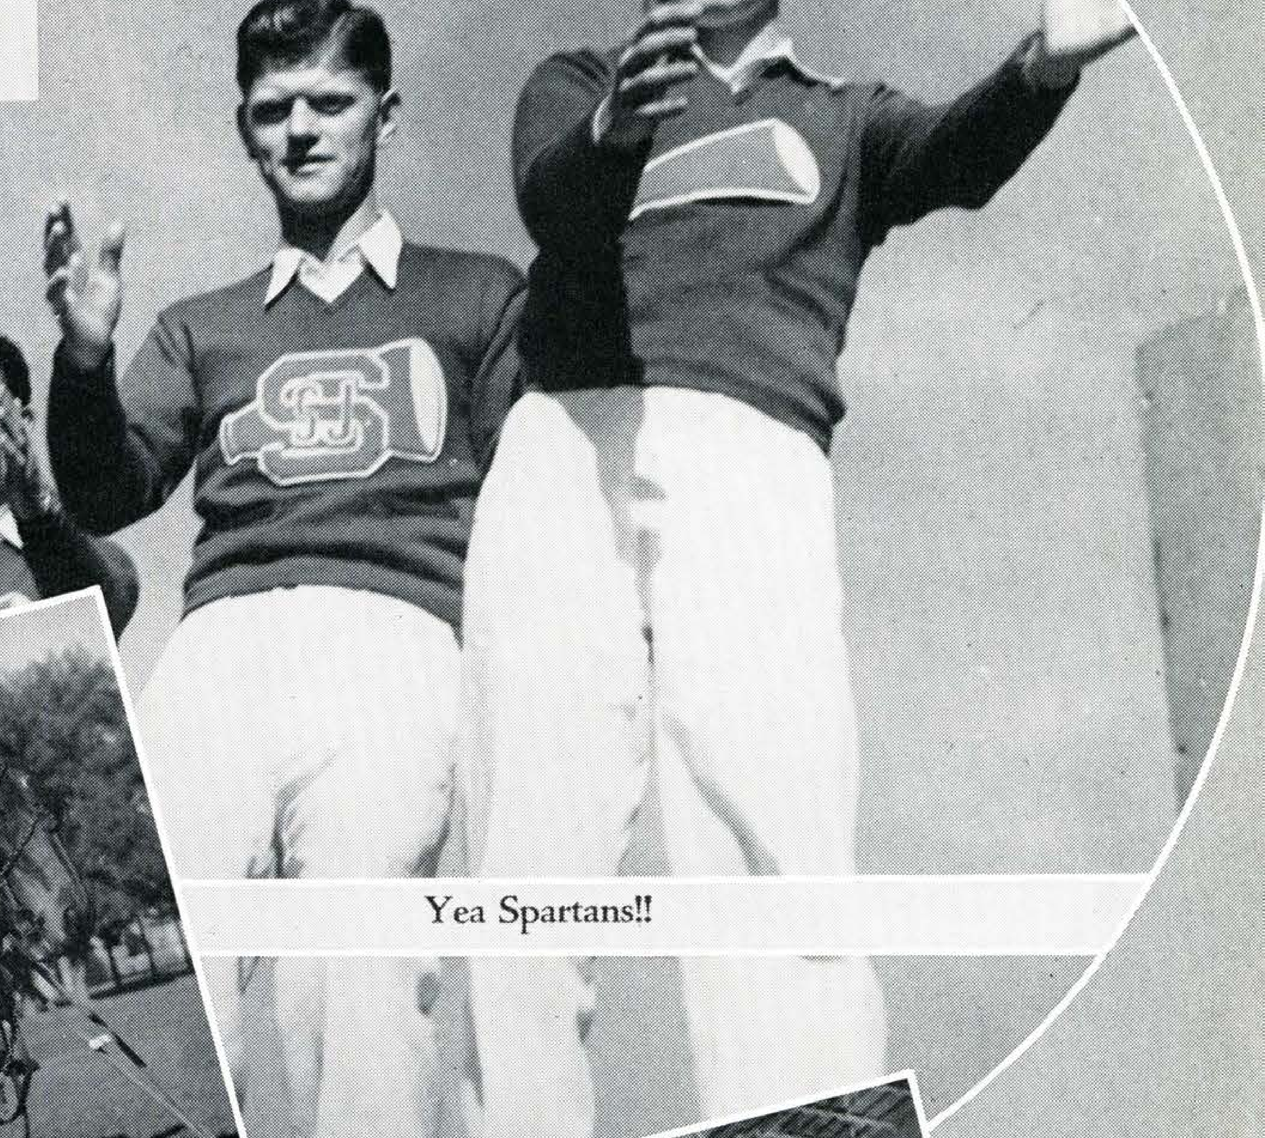

A new note of social activity was added to the games with the advent of after-game dances as well as more rallies--all resulting in greater school spirit.
