

transfers will be made only for the purpose of reuniting immediate families, the members of which resided together prior to evacuation.

2. Consideration will be given to transfers of individuals who do not come within the classification given in B-1 above, only when such individual or individuals are physically or mentally dependent upon the family for maintenance.

3. Transfers between Assembly Centers will not be authorized when both Assembly Centers will be evacuated to the same relocation area within a reasonable length of time.

D. When reasons for transfer other than those authorized in Paragraph B. above are presented to the Center Manager, and when in his opinion such reasons have merit, the application may be forwarded as set forth for consideration.

A.C.C.A. Oper. Man. Par. XXX

Acceptance of fees from Japanese evacuees for medical surgical or dental services prohibited

Fees shall neither be charged nor accepted from Japanese evacuees by Japanese or other physicians for medical, surgical or dental treatment, or for material employed in such treatment accorded Japanese evacuees. The cost of medical, surgical <sup>supplies</sup> or dental services and necessary appliances ~~or materials~~ and the cost of hospitalization will be borne by federal funds allotted for that purpose.
