

# GOVERNOR TO GREET 'BEAR'

SACRAMENTO —(AP)— Governor Warren will meet the California Maritime Academy's training ship, "Golden Bear," when it docks in San Francisco May 19, his office said today.

The ship is returning from Europe where it carried a cargo of canned milk and clothing donated by the people of California.

Warren's son, Earl, Jr., is aboard the ship as an honorary cadet.

The ship is due in San Diego tomorrow and then will proceed up the coast to San Francisco.
