Ventura County Community Foundation

Women's Legacy Fund

Dear Trustees.

The Ventura County Commission for Women supports the application to the Women's Legacy Fund for the amount of \$5000.00 to provide professional Women's attire for 25 Cal Works Graduates.

The Commission has been an active supporter of this important activity in the past when Mervyn's Closet was involved. Because they are no longer providing this service to our community we urge you to make this activity possible. We cannot overly emphasis the many values of this project and how it contributes to the success of the graduates of this program in there search for employment.

Thank you for your consideration of this application.

Diana H. Goodrow
