Mrs. William Randolph Hearst,
~~Hearst Camp,~~ *La Cuesta Encantada*
San Simeon, California.

Dear Mrs. Hearst:

Waiting for me in the office this morning was our sculpture man, Mr. Miletin, with a bowl he had cut out of California blue onyx for you as a bit of appreciation for Mr. Hearst's kindness to him.

He is shy about it and asked me to write this note for him.

With kindest regards,

Yours very truly,
