

From: Helen Pedotti, Santa Barbara County Central Comm.

To: Warren Church - Monterey, Dom Perello - San Luis Obispo,  
Jane Toamach - Ventura

*our no. 55 registered was 68,495. It is now around 61 or 63,000*  
**APOLOGY !!** I gave the wrong figures for Santa Barbara County registration at San Luis last Sunday. The figure of 60,422 is a 1958 general election registration figure.

**CORRECTION:** Present registration: 53,948, R. 26,549, D. 25,525, misc. 209, D.S. 1,665.

**Request:** Can you please send me your 1958 election results for the following contests. Santa Barbara figures herewith:

<i>20,19,58</i>	Knowland:	23849			
<i>20,348</i>	BROWN:	23340	-	509	<i>32066 19635</i>
<i>32,789</i>					<i>19635 32066</i>
<i>19,867</i>	Knight	25994			
<i>32,563</i>	ANGLE	20124	-	5870	<i>19121</i>
					<i>31728</i>
<i>33,155</i>	MOSK	24540	+	3585	<i>32438</i>
<i>18,647</i>	Hillings	20955			<i>17942</i>
<i>27,603</i>	Teague	28825			<i>26658</i>
<i>25,022</i>	Stewart	17982	-	10843	<i>24524</i>
<i>34,402</i>	Holmes	27034			
<i>17,134</i>	Nettles	17982	-	9052	<i>(Assembly) 33610</i>
					<i>16495</i>
<i>24,413</i>	Jordan	28043	-	11116	<i>Cumulative</i>
<i>26,184</i>	LOPEZ	16927			<i>Know</i>
<i>30,979</i>	Prop 18	NO	23693	+	1110
<i>21,365</i>		Yes	22583	+	2200

**Prediction:** My most optimistic hope on the Congressional race would be that we could cut our loss down to about that of Angle in General election, i.e. by around 5,000 votes. I think we might cut our Assembly race loss to around 3,000.

Hillings was well identified with Nixon and I think the remarkable plurality of ~~3,585~~ 3,585 for Mosk in this county is a hopeful sign in looking toward a Presidential contest with Nixon. I think we have to play up Hillings' present influential position in the Republican Party.

Labor vote is interesting, even in conservative S.B.

I would appreciate comments on possible voting patterns in your counties.

Greetings to all of you and congratulations to Boyd Finch.
