

major field of study. The policy also recognizes that in certain types of courses, student performance is best evaluated in terms of credit/no credit grading rather than through the traditional letter grades.

Neither the *CR* nor *NC* grade is included in the calculation of the grade point average. The grade of *CR* is assigned if the student's work is judged to be equivalent to an *A*, *B*, or *C* grade as applicable to regular enrollment in an undergraduate course or equivalent to an *A* or *B* grade in a 200-level course. The *NC* grade is assigned if the student's work is not equivalent to these standards:

1. **General conditions and limitations.** Some courses are not available for *CR/NC* grading, (see individual course description), while others are designated as available for *CR/NC* grading only. All other courses are available for *CR/NC* grading; however, a student may not enroll in more than 6 units of *CR/NC* graded coursework per semester. The decision to enroll for *CR/NC* grading must be made prior to the end of the fourth week of instruction and the decision must be recorded by the student at the Student Records Office.
2. **Undergraduate Students.** A student may not elect *CR/NC* graded coursework to satisfy requirements for the major unless the courses have been designated *CR/NC* only. A maximum of 24 semester units at CSU Fresno of *CR/NC* evaluated credit, including all coursework taken *CR/NC* only, may be applied toward the degree.
3. **Graduate Students.** Credit for coursework earned through *CR/NC* in fall 1978 and in subsequent semesters may not be applied toward the master's degree unless the course has been designated as available for *CR/NC* only by the Graduate Committee. A maximum of 6 units of *CR/NC* only credit may be applied to a 30-unit master's degree program and a maximum of 12 units of *CR/NC* only credit may be applied to a 60-unit program.

See the current *Schedule of Courses* for further information.

**Incomplete (I).** The symbol *I* (Incomplete Authorized) indicates that a portion of required coursework has not been completed and evaluated in the prescribed time period due to unforeseen, but fully justified, reasons and that there is still a possibility of earning credit. In order to be eligible for an *I* grade, the student must have completed at least two-thirds of the required coursework with a passing grade. It is the responsibility of the student to bring pertinent information to the attention of the instructor before the end of the semester and to determine from the instructor the remaining course requirements that must be satisfied to remove the incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated. Reregistration in the course is not used to remove an *I* grade.

Normally it is expected that the student will make up an *I* grade during the next semester; however, it must be made up within one calendar year immediately following the last day of the semester/session during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment.

Failure to complete the assigned work will result in the *I* being counted as a failing grade for grade point average computation. An *I* grade not made up within one calendar year after the grade has been recorded is changed to an *F* (or an *NC* if *CR/NC* grading was approved).

Incomplete grades must be cleared before a degree is awarded. In the absence of the instructor who has assigned the incomplete, a student seeking to make up this grade should consult the department chair. A student may not be required to repeat a course in which an *I* grade was received unless he or she wishes to receive credit and the time for making up the grade has passed.

A short-term extension of time may be granted with justification by contacting the Office of the Registrar prior to the last day of the second semester/session.

**Satisfactory Progress (SP).** The *SP* symbol is used in connection with courses that extend beyond one academic term. It indicates that work

in progress has been evaluated as satisfactory to date but that assignment of a final grade must await completion of additional work. The *SP* may be used only in courses designated on the approved *SP* grade course list published by the Office of the Provost and Vice President for Academic Affairs. Cumulative enrollment in units attempted may not exceed the total number applicable to the student's educational objective. As with an *I*, the student receiving an *SP* will have one year from the date of first enrollment to complete the work and to be awarded a final grade. Any extension of time limit for an undergraduate student's *SP* must receive prior authorization by the Office of the Registrar.

While completing work on an *SP*, graduate students are required to maintain continuous enrollment at CSUF. This may be accomplished through enrollment in "0" unit GS Continuation. Exception: Graduate students enrolled in Project 298 or Thesis 299 receive an *SP* at the end of the first semester of enrollment and are advised to complete work on the culminating experience during four additional semesters, subject to the five-year overall time limit for completion of all master's degree requirements. In addition, if an *SP* in 298/299 is not replaced by a final grade within two years as recommended, the student's major department may require him or her to reregister for the course. (See *Graduate Studies*.)

**Unauthorized Withdrawal (U).** The symbol *U* indicates that an enrolled student did not complete course requirements and did not properly withdraw from the course. It is used when, in the opinion of the instructor, completed assignments or course activities, or both were insufficient to make normal evaluation of academic performance possible. For purposes of grade point average computation this symbol is equivalent to an *F*. The *U* will not revert to any other grade.

**Withdrawal (W).** The *W* grade indicates that the student was permitted to drop the course after the fourth week of instruction for serious and compelling reasons with the approval of the instructor and appropriate campus officials. It carries no connotation of
