Dear Rita,

It was very exciting to receive the BPW endorsement and support!  
That big contribution is the largest one that I have received.

So far our campaign has been very encouraging. There is much work  
to do before June 8th. Costs are high for mailings, brochures, and  
advertising. Your contribution is timely.

Congratulations to the BPW for endorsing and putting dollars in  
support of electing women to office. I intend to be a strong force in  
Sacramento for the concerns of women.

Thank you for the boost you have given my campaign!

Sincerely,

Jane Tolmach
