

The background of the entire page is a photograph of a modern, multi-story building with a grid-like facade of rectangular panels. The building is illuminated from within, and its structure is highlighted against a dark sky filled with numerous bright stars and a faint nebula. A tall, slender light pole stands in the foreground on the left side of the building. The overall color palette is a warm, monochromatic orange-red, which is applied as a filter over the entire image.
