Ms. Jane McCormick Tolmach

Oxnard, California

Dear Jane:

I am writing to let you know about my candidacy for the Southern California Chairmanship of the Democratic State Central Committee and to ask for your support.

For many years I have been an active Democrat in Southern California. It has been my privilege to work with outstanding Democratic candidates at the federal, state and local levels. My participation has included everything from ringing doorbells and licking stamps to fund-raising and campaign strategy.

I am now seeking this office because I believe in the principles of the Democratic Party and want to do everything within my power to help our candidates achieve success at the polls. The position of Southern California Democratic Chairperson will enable me to continue and expand my active involvement with our party.

Your consideration and support will be deeply appreciated.

Sincerely,

BCC/jc

NEXT TIME WILL BE DIFFERENT.
