

Dear Patricia: Sept. 12, 1966

I wrote to Carolyn
this evening & told her how to
find my apt. when she gets to
San Jose on the 24th. When they
arrive I'll bring her & Shan over
to your apt.

Tomorrow A.M. from 10:00 to
12 - unless you wish me to do

something for you, I'll go over to
the College & see what I can
arrange for photography. I think
that will absorb all the time I
should divert to classwork. I need
to get back at my writing & get
something done on it.

Unless you call me early (before
9:45) - phone me in the P.M. I
told your mom how beautiful you
look with your new tan!
As always Love - Carl.
