

## THE SUPERVISION CREDENTIAL

The Supervision Credential authorizes the holder to supervise instruction in the field or on the grade level for which he holds a regular valid basic credential. The holder of the supervision credential is authorized to supervise, on any grade level, nonteaching certificated personnel and personnel in all service fields where no basic credential has been established.

Specific requirements include a bachelor's degree; full approval by the Committee on Admission to Credential Programs; five years of successful public school service and completion of 24 semester units of postgraduate work of upper division graduate level concurrent with, or subsequent to, public school service, including the following:

Educ. 126, Measurement in Education  
 Educ. 172, Philosophy of Education  
 Educ. 218, Mental Hygiene and Guidance of Children  
 Educ. 250, Development of Elementary School Curriculum, or Educ. 253, Secondary School Curriculum Development  
 Educ. 260, Introduction to Educational Administration  
 Educ. 261, Organization for the Administration and Support of Education  
 Educ. 262, The School Principalship  
 Educ. 263, Supervision for the Improvement of Instruction  
 Educ. 264, Legal Aspects of Education  
 Educ. 266, School Finance and Business Administration  
 Educ. 267, School-Community Relations and School Housing  
 Educ. 268, Field Work in School Administration  
 Educ. 269, Field Work in School Supervision
