Biographical synopsis of interview:

The interview took place in his home  
he was very welcoming and upbeat.

Summary of interview:

The interview was an ok interview,  
he was very reluctant to expand  
on his experience his answers  
were short and to the point. It  
also seemed as though he did  
not remember as much. The noise  
level was very low except when  
some cars passed by.
