Dear Miss Morgan,
Calif

If you remember you spoke of planting
dwarf fruit trees in that space between
the high fence that was and the perman-
ent roadway from West of Peach Orchard
to near the white gate.

I wish to draw your attention to the fact
that if such a plan is final, we should
put our order in for them at once, as
there is always a shortage of Dwarf Stocks,
Last year we sent in our order for these
stocks to Vanduyne Nurseries Geneva
N. Y. in the first week of Sept. & at that early
date, we were too late to secure what we
needed, so this year let us get our
order in sooner.

I would appreciate a reply from you
giving me your plans & ideas in this
matter.

Thanking you, with kindest regards

Yrs. V. respectfully
