Dear Mrs. Talmach -

Congratulations on the election -

And then I was sorry to read
of your brother's passing whom I had
known & enjoyed years ago when he was
with KVEN and we were in business.

Finally I will be going to
Washington - for Passover with our
children. If Jim is there now, will
you please send him this card or send
me his address and phone number
so I can invite him over and hear of
all that has happened to him since O.H.S.
and so that he can meet Robert & Susan.

Susan is a member of The National
Democratic Women's Club and intends to
take me there.

With best wishes

Heada Fratten
