Ms. Beth Anderson  
2166 Antonio Ave.  
Camarillo, California 93010

Dear Ms. Anderson,

Your letter of 28 June to Mr. Seawell concerning Harbor Celebration has been forwarded to Los Angeles for handling. Arrangments have been made for your group and attending press to greet the Australian Ski Team when they arrive on 2 August aboard our flight 812 on the mezzanine of the International Terminal at the Pan American First Class Lounge.

Facilities at this terminal are very crowded, therefore I would urge you limit attendance to those individuals you feel vital to the success of your reception.

Also, please bear in mind that we will have no public address equipment available, inasmuch as this is not permitted by the Department of Airports.

In regard to Mr. Seawell's attendance, I regret that previous committments will prevent him from attending however he has asked Mr. Bert Torrance, our Managing Director, to represent him if possible.

If you have any other questions, please feel free to call me at area code 213-646-8365.

Sincerely,

A handwritten signature in cursive script that reads "Brad Dressler".

Brad Dressler  
Director of Public Relations
