2. Request the Records Office to transfer any work completed or to be completed in Extension to the permanent record.

The Evaluations Office, considering his prior and current work, will check the student's application for a bachelor's degree against requirements and will report to the student regarding his or her eligibility for the degree. In the case of graduate degrees, this clearance is given by the Graduate Office.

A degree cannot be awarded to a student with an I grade remaining on his or her record. A student receiving an I grade during the final year which has not been completed (or changed to an F grade) within two calendar weeks of the end of the student's final semester or summer session will not be considered for graduation that semester and must reapply for the degree.

In order to be eligible for graduation and participate in Commencement exercises, the student must (1) submit an application for the degree and pay the graduation fee, (2) have been approved for graduation by the faculty, (3) have met all financial obligations to the university, and (4) have completed with appropriate scholastic standing all courses required for the degree. Graduates will receive their official diplomas by mail.

It is the responsibility of the student to be sure that all requirements have been met and that documentation has been filed with the Evaluations Office by the appropriate deadlines.

No additions, deletions or changes to a student's record are permitted after the degree has been recorded.
