

COUNTY OF VENTURA
J. K. (KEN) MAC DONALD
County Supervisor

MEMORANDUM

- 2 -
I'll never be able to get those who hate
me to ever understand my posture -
So - why try ??? - I supported
all other Demo candidates and the
action of the Central Committee was not
only unjustified but stupid. I was
planning to have a fund raiser at the
end of my career for the party.
but not now !!! - Many thanks
for your understanding and best wishes
for a great 1979 - Sincerely -
Ken
