CAL POLY

Welcome from the Chairs

Dear Open House Guests:

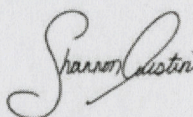

Welcome to 13th annual Cal Poly Open House! This three-day event showcases all that Cal Poly has to offer and promises to have something for prospective students, families, community members, and alumni alike.

This year, the Open House Committee is excited to present Cal Poly: Choice of Champions. The theme highlights the accomplishments of past students, the talent of current students, and the promise of future students who will soon join the Cal Poly team. We encourage you to get into the spirit of the weekend.

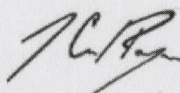

Be sure to catch the special events throughout the weekend. Friday Nite Invite: The Pre-Game Show offers an alcohol-free night of entertainment for prospective students to meet and mingle with current Cal Poly students while rock climbing, listening to live music, and bowling. Saturday morning, Cal Poly organizations and community members will kick off the Club Showcase with the Poly Royal Parade. Follow the Open House Loop to make sure you don't miss any sights.

The Open House weekend is the product of the hard work and dedication of a student committee and their friends in the Student Life & Leadership department. These 17 students have worked for the past year, in collaboration with Cal Poly organizations and the San Luis Obispo community, to provide a weekend of celebration, tradition, and education. Keep a look out for the Open House All-Stars in jerseys of black and white!

Thank you for coming and enjoy your weekend.
