THE Spa

Discover the timeless magic of mineral springs ...in the world's most beautiful setting!

Palm Springs Spa Hotel and mineral springs pools are fed by centuries-old therapeutic hot mineral waters. You may use either Immersion, Exercise or Swirlpools. Linger as long as you like. You change into your bathing suit in an air-conditioned dressing room—complete with your own private lockers. You bathe in the pure, dry desert sunshine or in the shade of covered pools! Comfortable lounges afford carefree relaxations.

The world famous Spa has individual contour Roman Swirlpool Baths, Rock steam and Infra-red Inhalation Room, blissfully quiet cooling rooms, multiple needle point showers and private spacious massage rooms.

You approach the magnificent spa through this beautiful entrance.

There is therapeutic magic in these natural hot mineral waters.

SUITES

are lavish in The Spa Hotel...your choice of one or two bedrooms...each has individual styles and colors, with bar kitchen units suitable for extended stays. TV, and music in every suite.

BEDROOMS

are spacious and many have commodious balconies facing beautiful Mt. San Jacinto. Quiet luxury is evident in the imported marble tabletops, the muted room buzzer, ample wardrobes and the ultimate in sound proofing.

DINING

in the Spa Hotel is a thrilling experience in the luxurious Agua Room. Special diet menus are available. An exciting cocktail lounge features entertainment.

GYMNASIUM

activity is unlike any you've ever encountered...for this is a fully-carpeted "gym" with mirrored wall and the newest exercise machines under the supervision of highly trained instructors.

Palm Springs Spa Hotel—a relaxing way of life

The Spa Hotel is luxurious, comfortable, relaxing and wisely designed to give you a memorable vacation.

Whether you enjoy continental cuisine or desire the Spa's special diet program, dining is an event here. On the picturesque, landscaped grounds are all the conveniences...from resident physician to stock broker, barber shop and beauty salon—plus world famous shops.

Here, where the Agua Caliente band of Mission Indians for centuries found health, rejuvenation and relaxation in the hot natural springs and made the site a shrine—the Spa Hotel has blended past and present—and the result is the most outstanding, functional and luxurious health center in the world. Imagine yourself sleeping in a kingsize bed—waking to put on your Spa robe—entering the elevator that takes you to the relaxing rejuvenating Swirlpool baths and all the facilities of the Palm Springs Spa. Your visit to Spa Hotel will be unforgettable.
