OFFICE OF
WILLIAM RANDOLPH HEARST
LA CUESTA ENCANTADA
SAN SIMEON, CALIFORNIA

April 3, 1930.

Dear Miss Morgan :

I find the enclosed ceilings. I imagine they belong to us in which case you want the diagrams.

If they do not belong to us there are some here that we should have.

I have lost track of our ceilings.

Perhaps we should try to make a book of them as we have of various other decorative features.

Sincerely,

WR Hearst
