### THE STANDARD ADMINISTRATION CREDENTIAL

The Standard Administration Credential authorizes the holder to serve as a superintendent, assistant superintendent, or in an equivalent intermediate administrative position. The credential also permits service as a principal and supervisor at all grade levels provided the holder possesses a valid Standard Teaching Credential or a valid General Teaching Credential and his college or university preparation included a major in an academic subject matter area. See department chairman for requirements for admission to the credential program.

#### REQUIREMENTS

The minimum requirements for the Standard Administration Credential shall include all of the following:

1. Seven years of college or university education, or its equivalent in an approved institution, including three years of acceptable postgraduate education.
2. A master's degree in an academic subject matter area or, in lieu of the degree, certification by an approved institution that does not grant a master's degree in the applicant's subject matter major to the effect that work equivalent to the master's degree has been completed.
3. The possession of a valid Standard Teaching Credential or a valid General Teaching Credential other than a credential issued on partial fulfillment of requirements or postponement of requirements and other than a provisional, limited, or exchange credential.
4. A minimum of five years of successful full-time classroom teaching experience in public elementary or secondary schools, or in private schools of equivalent status.

#### PROFESSIONAL PREPARATION

The three years of acceptable postgraduate work shall include graduate course work in professional education and related fields as indicated below:

1. Legal and financial aspects of education: A Ed 264, 266
2. School management: A Ed 267, 270, 271
3. Education and school administration in the community: A Ed 286
4. Staff development and advanced techniques of personnel management: A Ed 275
5. Curriculum development, evaluation and research: E Ed 250 or S Ed 253
6. Supervised field work experiences: A Ed 268
7. Electives: sufficient units in education and related fields selected in consultation with the adviser to total the required program as indicated in *California Administrative Code, Title 5*, Section 6561.
