

File

April 22, 1927.

Mr. William Randolph Hearst,
Ambassador Hotel,
Los Angeles, California.

Dear Mr. Hearst:

We have only the old "axes" develop-
ment (studies) for ^{suggested} use of the Exposition statu-
ary, and the suggestions for the use of Mr.
Putman's large fountain and basins below A.
I will gladly start the new studies and send
you the sketches.

Yours very truly,

JM-deM
