00:06:10:29 - 00:06:13:05

Speaker 3

I welcome you to the grand marshal.

00:06:13:05 - 00:06:22:17

Unknown

You \$17 million and,

00:06:22:19 - 00:06:23:13

Unknown

I going be taking.

00:06:23:13 - 00:06:33:02

Speaker 3

Care of, both. And I there's a word that.

00:06:33:04 - 00:06:41:07

Speaker 3

It's a very smooth, David. Very smooth. And he says, I bet that I'm a worker. He says, I don't know anything about giving speeches, and.

00:06:41:11 - 00:06:41:22

Speaker 1

I.

00:06:41:24 - 00:07:01:05

Speaker 3

Don't have to worry something. Tell them who you are and what you're going to do. Before we get into the formal part of the program, I'd like to acknowledge, some of our honored guests that are with us or that onerous with their presence, of course, of which is, the grand marshal of 1994, the Cinco de Mayo.

00:07:01:07 - 00:07:07:17

Speaker 3

It is McHenry. Zorro. Laughlin.

00:07:07:20 - 00:07:12:21

Unknown

Are you okay?

00:07:12:23 - 00:07:15:16

Speaker 3

Places before you take off.

00:07:15:19 - 00:07:30:15

Speaker 1

Thanks very much. It is wonderful to be here and be home again. As you know, I've just now been, 21 months in Congress and, Yeah.

00:07:30:17 - 00:07:40:05

Speaker 1

Sadly, there we. None of us knew that I would be the entire freshman Democratic class west of the Rockies. So, yes, we're all.

00:07:40:07 - 00:07:48:13

Speaker 1

Okay, now that I agree with your Gingrich's that he says you can go home if you know, one of the people that.

00:07:48:15 - 00:08:08:00

Speaker 1

I want to join with everyone in honoring, Pete. You know, in many ways, he embodies the things that make this country great. So what he was willing to you to call go out to defend this country and defend Western civilization. This generation saved the world.

00:08:08:02 - 00:08:10:17

Speaker 4

And he came back and became part of this.

00:08:10:17 - 00:08:16:20

Speaker 1

Community here in San Jose. More than anything else, he honors education and understands that if.

00:08:16:20 - 00:08:17:27

Speaker 3

We don't do the young.

00:08:17:27 - 00:08:20:04

Speaker 1

People, then we have no future.

00:08:20:04 - 00:08:26:21

Unknown

As a community.

00:08:26:23 - 00:08:30:16

Speaker 1

I'm looking forward to being in this in the fray tomorrow.

00:08:30:18 - 00:08:31:23

Speaker 3

And I'm looking forward to.

00:08:31:23 - 00:08:42:00

Speaker 1

Continuing to work with you, to fight for the things that you really care about. The things in a fair bit more than anything else for the young people of our community, so they can have a future good education.

00:08:42:03 - 00:08:43:07

Speaker 3

And lead us all.

00:08:43:10 - 00:08:52:24

Speaker 1

Valued in the next century. So thank you and I'm looking forward to riding this great.

00:08:52:26 - 00:09:10:27

Speaker 3

Speech. Also with us is, Mike Honda, who is, presently on the Board of Supervisors. But, he's going to leave us, to represent us up in Sacramento. Might want to come up and take.

00:09:10:29 - 00:09:18:26

Speaker 3

Me a little a little.

00:09:18:29 - 00:09:37:23

Speaker 3

just just one to, what happens to this this the this it just a milkshake. so, so, but I believe it was the end of zero eight. And that is you know, when I first met him.

00:09:37:25 - 00:09:45:23

Speaker 3

In the temple.

00:09:45:26 - 00:10:11:24

Speaker 3

I, I but, when I first met Jean, he years ago, and, he was one of the folks in the community that taught us how to be a community person. That taught me. Do you remember where you come from? He also taught us through his example, the education is the way to go, and that we should not only obtain education for ourselves, but pave the way for the other youngsters.

00:10:11:26 - 00:10:34:16

Speaker 3

No matter what community come from, no matter what station people that we prefer education, the pathway for all of our would be. I'm very proud of you, and I'm glad that you're the Grand marshal because you represent all of the community.

00:10:34:19 - 00:10:35:04

Unknown

And now, in.

00:10:35:04 - 00:10:53:19

Speaker 3

No particular order of, necessary importance. But because they're here honoring us with their presence, we want to acknowledge them. judge many of our from Texas with our efforts.

00:10:53:22 - 00:11:00:22

Speaker 3

Say that only because it happens to be our honorees. The real.

00:11:00:25 - 00:11:01:28

Speaker 1

You.

00:11:02:01 - 00:11:10:13

Speaker 3

Steve Nakano, a candidate for Superior Court. Good, good. Good luck and congratulations.

00:11:10:15 - 00:11:15:04

Unknown

You in Texas.

00:11:15:06 - 00:11:21:11

Speaker 3

You know everything. I didn't get it from my.

00:11:21:14 - 00:11:22:19

Speaker 1

00:11:23:28 - 00:11:44:11

Speaker 3

and also with us are several other individuals that I'd like to acknowledge. we sold out the variety festival for the first time this year. Thanks a lot to Sally Martinez for town, for doing.

00:11:44:14 - 00:12:14:16

Speaker 3

A, function up in San Francisco. And she says we was probably standing on this the other side. And, and then I met her. Mom, would you please stand?

00:12:14:18 - 00:12:25:09

Speaker 3

I'd like to also acknowledge, before I forget, get myself in trouble. My sister. I don't have the.

00:12:25:11 - 00:12:33:08

Speaker 3

Idea any of it. Because we, The guy couldn't pronounce it. We across the border leading.

00:12:33:10 - 00:12:38:18

Speaker 3

And my wife says we.

00:12:38:21 - 00:12:41:24

Unknown

You know, we don't think.

00:12:41:26 - 00:13:02:17

Speaker 3

I'd also like to acknowledge, the presence of some of our young ladies here in this upper Midwest. Who is the local American GI forum, chapter Queen, the state chapter queen, our state queen when she was in Modesto and then in Colorado Springs, she wiped out the competition. She's our national.

00:13:02:24 - 00:13:10:13

Unknown

Queen.

00:13:10:15 - 00:13:14:22

Unknown

She was already in the parade tomorrow.

00:13:14:25 - 00:13:29:11

Speaker 3

And as soon as the parade is over, she's packing up her bags and she's heading south to San Luis Obispo. So congratulations from mechanical engineering. We're going to miss her. But, we know you're gonna do well. Thank you very much. And.

00:13:29:13 - 00:13:46:16

Speaker 3

This will be your first runner up. Diane Rodriguez, from Lake High School. The comets from the high school. She's over at UC Berkeley. So let's get to this.

00:13:46:18 - 00:14:00:12

Speaker 3

And show that this is ongoing effort by our community to, give back to who we are. We have ideas for greatness. Who was queen in 1992? Was it or 93? Was it? I agree.

00:14:00:15 - 00:14:04:00

Unknown

And.

00:14:04:02 - 00:14:06:03

Unknown

Then into our.

00:14:06:07 - 00:14:36:17

Speaker 3

Community. And I think that, that's what the idea is here in terms of what we're trying to do, is to pass not only the idea of giving community service, but of also letting our young people understand who they are, understand who we are. And we have another guest here. Francisco Rivera, national emerging guy, former vice chairman. Where is that?

00:14:36:19 - 00:14:45:17

Speaker 3

Right, right.

00:14:45:20 - 00:15:09:21

Speaker 3

I wanted to, and I, I had a hard time getting some information from, the normal sources. So I pulled out all my stops when I got some information, seeing some people, I was our 1996 grand marshal, so hold on. I had to give you some information you didn't know about.

00:15:09:24 - 00:15:14:27

Speaker 3

Going in 1923 and. The real Texas.

00:15:14:29 - 00:15:22:24

Unknown

Right?

00:15:22:26 - 00:15:23:15

Unknown

I called.

00:15:23:15 - 00:15:32:11

Speaker 3

Up, and I found out he's married to Grace, and and she told me. I asked her how long range is too many years.

00:15:32:13 - 00:15:51:17

Speaker 3

And they, had five children. Four are still living pristine. Peter. Is Peter the proud guy with, Peter number four? Great modestly name, I might say. I cal his character.

00:15:51:20 - 00:15:52:22

Speaker 4

Be.

00:15:52:25 - 00:16:19:09

Speaker 3

Maybe over there. Robert apparently is out of town, but, there are the four. You got eight grandchildren. So Pete's leaving a legacy in a lot of ways. As I said, he was a native of Del Rio, Texas, and the Mustangs. And from a high school there, right. What's that? Yeah. Explains his involvement with the San Felipe exits.

00:16:19:10 - 00:16:48:15

Speaker 3

I always thought there had been divorced, but no. Exes. Which, they've been sending money to Del Rio schools for over 30 years. So this is nothing new locally. He's been doing it for a long time. So he was drafted into the United States Navy as the hospital corpsman. But, in the way of the military, he was volunteered into the Marine Corps and he, served in Guam.

00:16:48:18 - 00:17:08:09

Speaker 3

I don't know how many of you knew that that he was in the islands. And he told me that he went to Japan five days, just five days after we dropped him from a bomb. He was, quick. He was even. Then you go for.

00:17:08:11 - 00:17:40:06

Speaker 3

He also was lucky enough to be on board the USS Missouri, the Big Mo, when, he witnessed the surrender of Japan. Life became quite a bit quieter afterwards. He came to San Jose in 1947, Mary Grace. And around 1951, the way I figured out the numbers, he would tell me. And he began and began making barrels, over for Del Monte Cannery at the North seventh and Jackson Street.

00:17:40:09 - 00:18:08:26

Speaker 3

he's a long term guy. He stayed over over 30 years with the to the lady finally couldn't lasted longer. They closed down shop and you know. Been a lifetime member of the American Jack Thomas. he joined in 1960. And most of that time he served on the board. missed maybe a handful of meetings. and all the time there was over 400 meetings and chapter meetings that he had.

00:18:08:27 - 00:18:31:18

Speaker 3

I think he missed less than five. He's been chairman of the Heritage Forum and says, well, number one, they named it after him. over six times. You've been, over 20 times as treasurer, but he knows where the money is. Was even honored by the mayor of San Jose for being an old guy, a senior citizen of the week.

00:18:31:21 - 00:18:35:11

Speaker 3

He was.

00:18:35:13 - 00:19:01:22

Speaker 3

But we all heard that description. I agree, the chief cook of the Washington. You know, because and all he's done everything he's filled the coke machines, he's cleaned up after the parties and starts and makes the reservations. He's done everything that is necessary to put on an event to make things run right in. And I know that we all owe him to Bill.

00:19:01:25 - 00:19:27:05

Speaker 3

it's it's your debt of gratitude. We appreciate all the work that you've got given to us with all your heart. You know that you are a sincere and honest, decent man. You've raised a wonderful family. You've given of yourself in a way that is an example to all to emulate. We are very proud of the we, we want to thank Grace, first of all, for sharing you with us.

00:19:27:08 - 00:20:00:26

Speaker 3

And we want to, wish you many, many more years of life and happiness and success. And we want to say congratulations on being the 1996 Grand Marshal. Why don't you come up and say.

00:20:00:28 - 00:20:12:05

Speaker 3

You know, so many people that are in, public business have a lot of reverence and good words and all that. I don't.

00:20:12:05 - 00:20:12:24

Speaker 1

Have that kind of.

00:20:12:25 - 00:20:21:23

Speaker 3

Word. I don't have the education, but I've been around.

00:20:21:26 - 00:20:25:02

Speaker 1

More than one.

00:20:25:04 - 00:20:25:26

Speaker 3

Before you.

00:20:25:26 - 00:20:28:21

Speaker 1

That.

00:20:28:24 - 00:21:04:29

Speaker 3

Regarding, almost every any subject there is. But, we don't have that kind of anything I can say. I'm proud and and honored to have been selected to be a grand marshal for this event in 1986. I'd like to thank Tracy, my wife, for it. And that was that. It was you that need to learn.

00:21:05:02 - 00:21:33:03

Speaker 3

There were years, I think I would pass it to you and. So the organization community takes 2% and 40% of my family, which is not very good. Average. And that you need to do. And you couldn't ask for better. Remember, my wife.

00:21:33:06 - 00:21:57:04

Speaker 3

And my kids. You know, I've been lucky in that particular area, but I'm still proud that I have helped the community somewhere and other and also our old alma mater, some high school.

00:21:57:07 - 00:22:19:02

Speaker 3

I believe the excuse was born in 1963 and involved all students of that particular subcommittee school district in an area of Texas that to have a table to become of eight members in their.

00:22:19:05 - 00:22:29:27

Speaker 3

Believe it or not, we the town of 35 or 40,000, has more PhDs than the city of Buffalo in New York.

00:22:30:00 - 00:22:31:04

Speaker 1

The.

00:22:31:06 - 00:23:11:06

Speaker 3

Population was. Those are not my statistics, Mister honorable. Yes, that was the. This year is the one in honor of the district. We studied that particular area five years ago when he was a member of the. He was an aide to Mr. Tedesco when the city manager. Yeah. There's people from that little town that in all different areas politics, doctors, all teachers, law school teachers, content delivery.

00:23:11:08 - 00:23:55:01

Speaker 3

I know we gotta have it credentialed to be bilingual. Latest education in Spanish and English in Barcelona. The Union. Anyway, I'm proud of being from that home. I wish I grew and positively the best thing that could have happened was that particular school that all of us came from. And he was only at Chicano school practically. We had Anglo teachers, but some most English teachers were dedicated to education.

00:23:55:03 - 00:24:26:07

Speaker 3

And that's like a lot of them that we have nowadays that a bunch of cars and that's it. You know, they get the money's those people who are interested in giving us a very good education, whether we were Latinos or blacks and whites. We they nowadays, and I've seen it because I've gone to a different school as the counselors, we've asked our kids that apply for our, scholarships.

00:24:26:10 - 00:24:56:21

Speaker 3

So we get counseling from the teachers. That's all they tell you. You can you can only use very vocational things, you know, that met a lot of times, you know, from our own Latino professors. And that's a safety thing to do, because I've already been and I'm proud that when you started as how did you Foundation in 1972, last year we hit more than \$1 million.

00:24:56:21 - 00:25:07:10

Speaker 3

Part of giving scholarships. You are community.

00:25:07:12 - 00:25:42:12

Speaker 3

Hopefully this year some of our own Latino community business people may contribute to our scholarships. We have maybe 4 or 5. And donate money to our scholarship. And we have a lot of Spanish that have businesses, and we are the ones that are using the business because we send money at the grocery store to the video or you name it.

00:25:42:12 - 00:25:52:29

Speaker 3

I think that it's about time they kick back a little to our community, for our own and their kids.

00:25:53:01 - 00:26:30:20

Speaker 3

I'm also proud that some of you that were here, you know, honored me, like me, and you. we wish that we would have had a bigger area. we could have accommodated more people. Don't. It was only a certain number of people were invited, and, you know, of course, not all of them make it their own. But I, for one, didn't want this particular,

00:26:30:23 - 00:27:06:03

Speaker 3

Honor. So I feel that it just there's other people that do the same that I do. I have been honored because, our members and the committee felt that we served with you. Do you mean. I do believe that I deserve.

00:27:06:06 - 00:27:10:19

Unknown

And I wanted to do that.

00:27:10:21 - 00:27:41:12

Speaker 3

And not only myself. My wife. You know, not only would you feel that way, but to tell the truth to me. I mean, I'm just a really good to try and help the next person. I was called by my mother to help other people, and that's still been, whether it be with money, with help in whatever area. Many people I can do it.

00:27:41:15 - 00:28:16:20

Speaker 3

help is not from somebody else that can help me when I try not to deny the help that I can give to somebody. And I hope that in future, some of those people that are here may help our organization with, the people who are scholarships. We're in dire need of scholarship funds for our students. You can we give out 50, \$60,000 a year?

00:28:16:22 - 00:28:52:08

Speaker 3

And that's peanuts. And you know, I and I don't think we should get 100,000 or more because, the money is out there, but we got 5 or 6 people. We need help to raise those funds to solicit funds, but we. When the scholarship foundation was formed, prior to that, we used to give scholarships of 200 and hundred 50 through a scholarship.

00:28:52:10 - 00:29:26:01

Speaker 3

In those years, the college tuition board, and especially if they are not if you give a \$500 bounty, well, they might buy books. Maybe. Or maybe. Yes. but \$500 is \$500. Oh, you know, I've had a friend and a member of one that always comes up with a suggestion that we found people like to put a dollar.

00:29:26:04 - 00:29:50:28

Speaker 3

So we have 80,000 Chicanos in this community. Why don't we collect a dollar from each one? We'd have a big, and a dollar amount. Why would you do it? busy. Everybody. I'm busy. And I was busy when I was work. I used to work ten, 12 hours a day, and then at times I had two jobs.

00:29:51:01 - 00:29:59:01

Speaker 3

But I felt that I had to help my kids, my family and my mother.

00:29:59:03 - 00:30:33:09

Speaker 3

And that's why we did. Now, if everybody works, if they do it not only in dollars, but even a quarter. So what do you think you raised so the gentleman doesn't have the time? I mean, we we all don't have the time, but you can make the time and that's what it takes is to hurt my family. Because they're not that I make the time to go and help other people and we don't do it.

00:30:33:11 - 00:30:46:07

Speaker 3

It's it's getting to that point where my dog is my people, not.

00:30:46:09 - 00:30:50:01

Speaker 1

Being.

00:30:50:04 - 00:31:18:13

Speaker 3

ungrateful. And I go over here and I think you've heard a lot of radio. I wouldn't say this. Thank you for being here with me and the rest of the country. Members and the forum. I know that there's a lot of things that were missing, but so be it. It's just. Thank you for being here. Enjoy yourselves and hopefully you enjoy yourself as well.

00:31:18:15 - 00:31:37:19

Unknown

Thank you.

00:31:37:21 - 00:31:38:08

Unknown

Oh.

00:31:38:10 - 00:31:46:08

Speaker 3

Give that up. You might form the San Jose. Is.

00:31:46:10 - 00:32:03:02

Speaker 3

Here, we want to thank you for giving us an opportunity to express our appreciation for what you have done for our community. And it does come at a cost that comes to the cost, either from the family or work from whatever else you're doing. So we want to.

Speaker 1

Make sure that we all understand that we have been given an opportunity to honor one of our elders, so that our young people can see by example how it's done and why you do it. We do it because we love our people. I think all of you will agree that every one of our children should be proud of, to be able to say who they are, what they are, but they should never, ever be made to feel ashamed of who they are, what they are.

00:32:36:27 - 00:32:58:20

Speaker 3

And that's one of the reasons the American JAG forum was founded, one of the reasons why we advocate the fact that we're up against the Alamo, all the rest of the marvelous, wonderful, hardworking individuals who give as much of their time as they do. I hope to see you all tomorrow. We're going to do the Macarena.

00:32:58:23 - 00:33:22:07

Unknown

Are you from our department? You in the studio and here.

00:42:14:17 - 00:42:34:26

Speaker 5

And they're here to give back to our department. And so I kept talking in particular in private industry has taken a formal teacher training program because we have not one to offer for them. And if we will take what you can give us. So we are giving what we can. And so we thank you so much, both of you, for being part of why it's the things that we have here.

00:42:34:26 - 00:42:51:07

Speaker 5

Welcome. All right. With that, I'd like to take a minute to say right now, our haircutting competitions, we did start off with men's hair cutting and study competitions, but 0 to 800 hours. And Marjorie Carter will be giving out those awards.

00:42:51:10 - 00:42:58:06

Speaker 4

Good afternoon, everybody, and welcome to our Inside Street Show. And we're going to start out.

00:42:58:11 - 00:43:01:25

Speaker 1

With our carnival.

00:43:01:27 - 00:43:31:15

Speaker 4

Mansion as I come from New York City. Zero two 800 hours. The judges actually had a really difficult time. They had to come out, I think, 2 or 3 times to break the times. That's how great these haircuts somewhere. So we added two the dimensions this year because the competition, the cutting was so well done. And so I would like to present, a certificate to the first honorable mention.

00:43:31:17 - 00:43:35:19

00:43:35:21 - 00:43:42:20

00:44:48:03 - 00:45:08:05

I found them on campus last minute and that's the truth. And I don't have them on my Friday in the competition.

00:45:08:05 - 00:45:24:22

Speaker 4

We sit down here a break for lunch, go find a model, and I think we must have had at least eight, 6 to 8 students that went out for students on campus. So we think our students on campus are participating and helping our students. Second place goes to Shauna Shauna Yassky.

Speaker 5

Opening statement, please.

01:28:19:10 - 01:28:48:03

Speaker 4

Students would take the honor. giving the Dean's award is, we have two days of competitions, and it's really divided into four segments. Groups or points. last week, the students competed in the male and female carapace portion. Today was the total portion. And then that had two parts during have the hair by itself for points and then maybe six points for the total.

01:28:48:05 - 01:29:14:04

Speaker 4

So that is actually four separate scores. In addition, we had a couple of things happen. And it's just wonderful that we need to learn to be flexible because interesting things happen. We had a student who couldn't make it today. We had to step in a technique, a third place winner. Just, we really did you step in at the last minute to to be a contestant in third place?

01:29:14:05 - 01:29:37:22

Speaker 4

It's great. I think we had a couple others that happened that way. We had one student who's lost their, person that was helping them. And someone actually, was a contestant in two areas. So that was new to us when we were doing points today as well. So what we did was take their top three scores. So we really needed to participate in more than just the total look.

01:29:37:24 - 01:29:40:13

Speaker 4

We took the top three scores.

01:29:40:15 - 01:29:41:17

Speaker 5

And we at the bottom.

01:29:41:23 - 01:30:03:10

Speaker 4

We give two awards. One is to our first semester students and went to our second semester. Students receive these cups and they both, we'll get to, their needs. It's right on the one that stands in and space in an apartment. So, what we would like to do it is the Dean's Cup. And this to honor our dean.

01:30:03:10 - 01:30:19:01

Speaker 4

And I'd like to introduce to I. Dean. Dean, I don't believe because he is.

01:30:19:03 - 01:30:45:02

Speaker 4

I just did I wouldn't have given the information of this lady. She's so supportive. And, she's the one that represents us on campus, too. I don't want to say fight or beg for. She represents very well. And you? This is a city college. We we these. We go to Gracie Fields, we meet and and she tries to go out and locate campus.

01:30:45:04 - 01:31:10:11

Speaker 4

She's in our support unit to get the things that we need to carry on times outside of the community colleges. And we're all working together to make it. We're along with the community and our community college. So we'd like to thank you for being here, and we hope, Your Honor, because this cup is in need of you, is there for you, and it is our highest honor that we can just to honor students and the winners.

01:31:10:13 - 01:31:10:22
