Dear Mrs. Tolmach:

We are pleased to extend to you a cordial invitation to join a group of women community leaders on a tour of Southern California Edison's High Sierra Hydroelectric Development known as "Big Creek". The trip will be on Wednesday, Thursday and Friday, July 18th, 19th and 20th and will be co-hosted by our Santa Barbara District Manager, Don Frary, and his wife, Trudy, and Mrs. Trevarthen (Carol) and myself. We are hoping that your busy schedule will permit you to attend.

So that we may firm up the guest list and can forward complete information regarding the trip arrangements to those who will be attending, we would appreciate a reply from you by Friday, June 15th. You may reach me by phone at 485-6711 or drop me a note at P. O. Box 700, Ventura, California 93001.

We will be hoping for an affirmative response from you. We will be looking forward to becoming personally acquainted and to have the opportunity to better acquaint you with all the facets of the Edison Company--past, present and future.

Sincerely,

George Trevarthen
District Manager
