Mrs. Jane Tolmach  
Chairman, Ventura County Democratic Central Committee  
Oxnard, California.

Dear Mrs. Tolmach,

I wish to express my sincere gratitude for the action of the Central Committee in recommending me for promotion to the postmaster vacancy in Ventura upon the retirement of Postmaster Ortega. I will do my best to justify the confidence you have indicated by your recommendation. I am very proud of the honor you have bestowed on me and I will try to discharge my office so as to reflect credit on the Postal Service and on the Democratic Party. Please feel free to call upon me for any help I can give, at any time.

My personal thanks to each and every member of the Committee.

Sincerely Yours,  
  
C. J. Sorem, Assistant Postmaster
