*Chair* (EN) Shared information from CFA workshop about the SSU Online Initiative. Reported that (1) a consultant has been hired, (2) the chancellor appears to be interested in contracting with existing online entities, (e.g., Western University) and (3) CSU Online would potentially begin by incorporating existing CSU online programs currently offered in CSU extended education schools across the system. While the Online Initiative something to be aware of and cautious about, it may be that CSU will not be able to compete with the extensive existing online courses and programs already offered at other universities.

*Program Review Subcommittee* (AK): There will be a meeting next Tuesday. Response letter to Ukiah Liberal Studies Program has been drafted.
