Mr. William D. Heart. March 10th 1923  
137 Div. Div. 1/2

I think our present arrangement will make for  
better price and delivery. I think you very  
much. will promise to keep within limit.  
Upper story can easily be extended to rear wall  
of Breakfast room & be lined to head of next  
of floor but at expense of height of Royal  
Gum arbor - These would be ten ft six  
inches clear of beams. Photographs of new  
shop to arrived since my last. What a  
lot fine things - Good.
