

STUDENT ORGANIZATIONS

Student organizations are encouraged, and over 100 of them representing various fields of social, academic, vocational, and professional interests have been granted recognition. Nine national social fraternities and six national social sororities exist on the campus and operate group-living units. Religious interests are served by the college religious centers adjacent to the campus. These many and varied types of organizations not only offer an opportunity for social life but also make a fine contribution to the development of student leadership.

Honor Societies

In addition to high standards of scholarship expected of all students, special recognition is given to superior scholarship. The honor society of Phi Kappa Phi, a national scholarship organization, was established at Fresno State College in 1953. Most departments of the college sponsor honor societies, many of them national in scope, in which membership is based upon superior college work. The Blue Key National Honor Fraternity for men and the Tokalon Honor Society for women offer membership to students who have good scholarship, are prominent in college activities, and who have demonstrated leadership in student affairs.

ALUMNI ASSOCIATION

Included among the purposes of the Fresno State College Alumni Association are the maintenance of contact with former students, general support of the college in all its activities, specific support of special college projects and the cultivation of an enduring loyalty to the college by its graduates. Membership is open to anyone who has attended the college for one or more semesters. Annual dues are \$10 and life memberships are \$100. A percentage of all funds accruing to the Alumni Association from membership funds is made available as scholarships. Additional scholarship and loan funds are made available from other sources. The Alumni Association and college join in numerous events which involve students. Included are the orientation activities, homecoming, the senior breakfast at which the Alumni Association presents an award to the outstanding senior man, Alumni Day activities, and athletic events. Each senior automatically becomes a member of the Alumni Association for one year as part of the graduation ceremony.

ESTIMATE OF EXPENSES

The basic expenses for attendance at Fresno State College for a year (two semesters) for students who live away from home will range from \$1,500 to \$2,000. These figures are exclusive of nonresidence tuition fee, but include an estimate of such personal items as clothes, laundry, and incidental expenditures. Students who live at home or share apartments with other students and commute to the campus are able to reduce their expenses considerably below the estimated figure. The cost of board and room may also be reduced by cooperative living arrangements or part-time work in exchange for room and board.
