Mrs. Jane Tolmach, Chairman  
Ventura County  
Democratic State Central Committee  
Oxnard, California

Dear Jane:

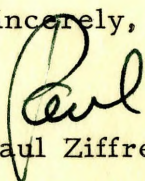

I'm writing this to you, because I don't have the address for Margaret Robertson, the secretary of your County Committee.

I hope you will tell Margaret, as well as the other members of the County Committee, how grateful I am for their very kind resolution. I confess that there are times when I get somewhat depressed, but then something wonderful like this resolution comes along and I feel better than ever.

Thank you so much, Jane.

Best wishes and regards to all the members of your wonderful County Committee.

Sincerely,

Paul Ziffren
