

ALAN CRANSTON
CALIFORNIA

United States Senate

WASHINGTON, D.C. 20510

January 22, 1980

Dear Dan and Jane,

Norma and I deeply appreciate your thoughtful holiday greetings.

We all encountered great challenges and crises in 1979, but we are convinced that 1980 will provide us with the energy and determination to progress toward a better world for us all.

Our warmest thoughts and personal good wishes are with you,

Alan Cranston
