

AS A MEDICAL EXPERT
IN THE FIELD OF AIDS
RESEARCH, LET ME
ASSURE ALL YOU
PARENTS MOST
POSITIVELY...

NO RISK EXISTS
THAT CHILDREN CAN
CONTRACT AIDS IN
A CLASSROOM
SITUATION...

WELL, LET ME SAY
THAT AIDS IS
ONLY TRANSMITTED
BY SEXUAL
CONTACT..

AND
UM...

WELL, OF COURSE,
WE HAVE FOUND
AIDS TO BE
CARRIED BY
TEARS AND
SALIVA..

THAT
TOO,
YES..

BUT, LET ME ASSURE
YOU THAT APART FROM
THESE SITUATIONS...
WELL, NOW, WE'RE NOT
TALKING ABOUT THE
COMMON COLD...

(WHICH, OF COURSE,
IS A VIRUS, ALSO)
BUT LET ME ASSURE
YOU THAT,
NOTWITHSTANDING
THE, UM...

WELL, LET ME
PUT IT THIS
WAY...

AS A MEDICAL
EXPERT...
