Oxnard, Ca.

Dear Ms. Tolmach:

Congratulations upon your appointment to the Democratic State Central Committee by Gary Hart. To be one of only 900 people who shall set the course for our Party in California as we start the 1970's is a great honor. I know that you have earned your appointment with dedication and hard work.

As you probably know, I am a candidate for the Chairmanship of our Party. I look forward to meeting with you soon so that we may exchange ideas on how to make our Party a truly effective campaign organization. My campaign for State Chairman is based on getting the Party back to the basic "nuts and bolts" so as to serve all of its nominees in their campaigns.

Best wishes for a happy New Year.

Sincerely,

Charles T. Manatt
