

One lady run out side with pants down.

Got bottoms - they got em.

Put some soap in flush water to make a real bath.

So got a lot of paper towels.

Joe? go turn off the water.

I have to get this problem solved fast - before my
office staff laugh themselves to death.

Got about 20 reports in five minutes.

It took 2 minutes for one Japanese boy to say
"Mr. Tohuh! this is nothing to laugh about!" - because
he could not stop laughing.
