

00:00:46:25 - 00:01:15:24

Speaker 1

Actually, the other person that's that you're working closely with us is Monica Gomez. She is on Saturday, Queen. She's a state queen, and she's also the national queen of American Air one. so she'll be, will 25% of the 5% of the meetings. I'd like each of you to to introduce yourself again. There's there's a nametag on your phone that they could put them on to help me in terms of remembering who you are.

00:01:15:26 - 00:01:28:15

Speaker 1

And if you could introduce whatever guest you're here. I'll let you know. we could just start here, and we'll start back with today and have.

00:01:28:17 - 00:01:29:14

Speaker 2

And if you could tell us what.

00:01:29:14 - 00:01:31:20

Speaker 3

School you go to and.

00:01:31:22 - 00:01:35:01

Speaker 2

What.

00:01:35:04 - 00:01:39:08

Unknown

Your 17 year old.

00:01:39:11 - 00:01:51:10

Speaker 2

Do you have any? Guess what behind.

00:01:51:12 - 00:01:58:26

Speaker 2

My name is Diana Estrada and I'm 17 years old. Also an opportunity I need to say this. I'm a senior in high school.

00:01:58:26 - 00:02:11:29

Unknown

And I'm 18. I'm an American. Fowler and I go to.

00:02:12:01 - 00:02:28:15

Speaker 2

My name is senior, and I am a senior. Independence High School. My name is Linda Medina, and I'm going to start at Evergreen. hi. My name is Joy young. And I go to 19.

00:02:28:17 - 00:02:35:22

Speaker 1

welcome you all here tonight. I'm delighted that we have such a nice number of teens who are interested in.

00:02:35:22 - 00:02:41:09

Unknown

Running for this, competition. And,

00:02:41:11 - 00:03:00:02

Speaker 1

I want to just tell you briefly what we're going to be doing tonight. proud of you. And, doing the calendar of the contest in the fall. But I'll give you a quick overview of what the pageant entails to be

able to assure whatever questions you have. Hopefully in this questions come up, we're going to do that, too.

00:03:00:04 - 00:03:02:26

Speaker 1

We'll be taking our photograph tonight,

00:03:02:29 - 00:03:03:16

Speaker 2

Over here.

00:03:03:16 - 00:03:33:19

Speaker 1

And then going through this session, you'll be taking an individual photo and then we're back for a little second time to. And then we also have a video page that's going to be while the individual stories are taken of last year's pageant. And I think I will give you some insight in terms of, what you might, on that on the other, if you have nothing to do, you have to, if you'll look at your folders, go over briefly.

00:03:33:19 - 00:03:58:11

Speaker 1

What's in here? right on top. We have a list of of names. So you know who you are and what school you're from. the rehearsal schedule indicates that we're going to have. Besides this meeting, we're going to have, five other meetings. And then the final rehearsal, at the Center County Fairgrounds, the pageant is held in the Marie Campbell Pavilion.

00:03:58:12 - 00:04:24:17

Speaker 1

That's one of the first big buildings you see when you walk into the fairgrounds on the right side. Enjoy the whole mess set up during the. So it's a very huge facility, and we fill it that evening. we have a very large audience. that's at the next session. Next week, we'll be again giving you some kind of orientation and going over the rules a little more precisely.

00:04:24:19 - 00:04:43:22

Speaker 1

And we'll be showing you a pageant of some of the speeches that have been made by some of our, our queens. And, and we, we need to have a copy of a birth certificate on to get that as soon as we can. to verify your, your services so we can take those next week.

00:04:43:24 - 00:04:48:29

Speaker 2

Also, next week, I want to concentrate next week on the speech.

00:04:48:29 - 00:05:13:00

Speaker 1

And how many of you care for that particular news about, how to do it and how to approach it? and we'll concentrate on that, on that next week, and then the public will actually begin, runway practice. And Monica will direct that part of our practice sessions because she, she's been down there many a time, and, she's,

00:05:13:02 - 00:05:17:19

Unknown

Involved with that.

00:05:17:21 - 00:05:19:26

Unknown

So, well, tonight at.

00:05:19:26 - 00:05:27:14

Speaker 1

The pageant, will also be, as I mentioned, videotaping your speeches. And we'll start that practice after next.

00:05:27:17 - 00:05:30:17

Speaker 2

So, each of you.

00:05:30:17 - 00:05:55:22

Speaker 1

Privately will have your speech videotaped, so you can then critique yourself during the week, and, and, and then continue to do that every week so that your sense of confidence in what you're presenting will build up, as you see, improving week after week. So there's a lot of practice sessions here. We do have to time the speech.

00:05:55:25 - 00:06:02:22

Speaker 1

It has to be limited to 2 or 3 minutes. So we have to be very surprised about that. And it does have to be memorized.

00:06:02:24 - 00:06:05:27

Unknown

So that entails a lot of practice and time to be able to do that.

00:06:05:27 - 00:06:26:15

Speaker 1

Well, and at some point here, one of the other rehearsals will need a description of your gowns, because that's part of the commentary where we introduce you at the pageant you gave a brief description of the gown you're wearing that evening. and, so that that will be due in a few weeks. Also, you might want to think about that also.

00:06:26:17 - 00:06:47:28

Speaker 1

And then the final rehearsal, which is the most important rehearsal, because we'll be doing it right there at the facility. The stage will be set up. you're going to have marine escort, Hispanic marine, I guess a reservist. And they've been for years, providing escort for queens. And it's really it's it's a very nice, beautiful image.

00:06:48:01 - 00:07:01:03

Speaker 1

And they'll be with you, with us also that at that party rehearsal. So that's, that's really a particularly important rehearsal. and we'll do, several runs. So it's not a dress rehearsal. You don't have to wear your dresses.

00:07:01:03 - 00:07:08:19

Unknown

That evening, but, so, that is, you know, the most crucial pinnacle that we have because it is your.

00:07:08:19 - 00:07:09:13

Speaker 1

Only chance to.

00:07:09:13 - 00:07:15:01

Unknown

Practice right there on the stage. So that's it. We're probably the, you know, so that you've been aware of that.

00:07:15:01 - 00:07:23:03

Speaker 1

Night or the following night, right. It used to walk in the park and so forth. Right. So if they haven't been opening their.

00:07:23:03 - 00:07:39:13

Unknown

Heels like and we start doing that, runway practice is a good idea to even if you don't have the heels in the way that you have to swing, you have a certain size that you would like to have to adjust to bring them back so you can start getting comfortable with them so help you walk through here.

00:07:39:15 - 00:07:41:24

Unknown

You're not like all crinkly that evening.

00:07:41:26 - 00:07:44:07

Speaker 2

So just to make it easier.

00:07:44:09 - 00:08:04:07

Speaker 1

And then in the folder we have calendars. So you can post them somewhere to remind you of where you're going to be Tuesday evening. So, Carol made those up for us. And then there's a guide for the Queen pageant. I think we'll go over that more here over the next week. It's just something. Meanwhile, for you to read, I've included a an application for the, scholarship Foundation.

00:08:04:07 - 00:08:12:11

Speaker 1

This this organization is one of the organizations that year, formed the Tennessee chapter is involved with. And this foundation.

00:08:12:11 - 00:08:21:23

Unknown

Gives, awards scholarships to high school seniors, Hispanics, who are going on to, primarily for years to fruition.

00:08:21:25 - 00:08:47:18

Speaker 1

The scholarships are very generous. They range from 500 to \$6000. and if you meet the qualifications, then I would like all of you to submit that application. The deadline is March 15th. You have time to do that. another advantages you would have is that one that we give two scholarships every year. to, there are \$2,000 scholarships.

00:08:47:21 - 00:09:14:06

Speaker 1

That \$2,000 is donated by the chapter, and preference is given for the scholarship to a clean contestant. So you have an advantage right out front for that particular scholarship. So I encourage you all to submit this application. And if you have any questions, I can talk to you further about that. I'm a member of that board and, I can answer whatever questions you may have, but I included it there in case you haven't seen it already.

00:09:14:08 - 00:09:35:22

Speaker 1

so pardon me. It's March 15th. Yeah. So. So you have time to do that? this is a brochure. Of course. We're very low on them. And these are our our recipients from last year. And this is a brochure we produce that list of students, and their award. And I'll leave it here for you to to glance at when you have a chance.

00:09:35:24 - 00:10:03:06

Speaker 1

unfortunately, I didn't have any more to share with you. this is a program for Orpheus Aspatria, which is one of the events that the deer farm sponsors. There's a nice article in here on Monica. She talks about her, academic journey, of course, about, about through his eyes and that he's about, and it deals with a national competition that, Monica, attended and and then one of the final four.

00:10:03:08 - 00:10:21:26

Speaker 1

And then on the other side, there's some general information here on on the San Jose chapter. we did at your leisure. This is a newsletter. Oh, and the program. I didn't mention the program. This is a program from last year. that gives you an idea of of of the order of events and the kind of thing that we'll.

00:10:21:26 - 00:10:37:06

Unknown

Be doing the night of the pageant. And, there's a page in here that shows the pictures, and this is the photographs that will be taken tonight that will appear in this brochure, the night of the pageant. I gotta say, this event is,

00:10:37:08 - 00:10:39:08

Speaker 1

And then there's some general information.

00:10:39:09 - 00:10:45:12

Unknown

As I said, this is a newsletter that's published monthly by the chapter. And, next.

00:10:45:14 - 00:10:59:25

Speaker 1

The next issue, we're hoping to include a picture of Monica and hopefully a picture of the contestants. if they can. That's why we're taking some real pictures tonight also. So hopefully your pictures will appear there.

00:10:59:28 - 00:11:01:29

Speaker 2

There's,

00:11:02:02 - 00:11:23:03

Speaker 1

This folder is from the state convention that was held last year here in San Jose. We sponsored that state conference. And that just gives you some, general information on what happened there and what the program is for the state, convention. This is a letter that's published by the National. leadership of the American Bear Farm.

00:11:23:03 - 00:11:40:19

Speaker 1

We are a national organization. the San Jose chapter is one of the biggest, most active chapters, in California. In fact, it might be the largest, most active. And I think we're the best. so that's the organization. Some information on.

00:11:40:19 - 00:12:01:28

Unknown

The organization one of you will be representing as many times as you can. Yeah. Next month. so if you could just look at that at your leisure, then, you'll have an idea of. We do stretching to be a volunteer reversal.

00:12:02:01 - 00:12:20:28

Speaker 1

it's it's crucial that you, and you plan on that. And if any of you have a problem with that, you need to speak to Caroline tonight. but we expect you at all the rehearsals. We'd like you to arrive on time, and, we'll we'll use the time efficiently. So it should not take any more than the 7 to 9.

00:12:21:01 - 00:12:30:04

Speaker 1

time that we've got, schedule for them. we're asking a lot of you in terms of preparing for the pageant, and we realize.

00:12:30:04 - 00:12:48:08

Unknown

That, a lot of time, you know, coming to the rehearsals. But it takes that kind of preparation in order to present itself. Well, at the cabin, we have over a thousand people that attend the cabin. And, we want we want to be prepared and ready and wanting to throw.

00:12:48:08 - 00:13:08:18

Speaker 1

Well, and I'd like you to present yourselves as well as you can. And that's the reason for the large number of rehearsal, that we have. and during the rehearsals, as I said, you practice your speech, Monica will help you in terms of your your ramp walk and the seating, arrangements on the stage and, and that type of thing.

00:13:08:25 - 00:13:26:13

Speaker 1

And the reason we practice the runway walk every week is because we want you to feel so, comfortable doing that, and then you can really concentrate on the speech. So up there, when you're on the stage that night, you don't have to be worrying about, oh, you know, the steps to take and the move to make. You'll have a doubt.

00:13:26:13 - 00:13:49:19

Speaker 1

So pat that then it'll just make it that much, much easier for you when you're when you present your see such a reason for doing that. and as I said, the last rehearsal, this is critically important. and I'm hoping to have at least one other, one guest speaker at one of our future practices to come in and talk to us about, hair care and skin care.

00:13:49:19 - 00:14:15:01

Speaker 1

And just to give you some help there in terms of helping you prepare for the pageant. so that's one get bigger than that, though. I'm working on having at one of our future practices just to break the monotony of all that fun, great practice and all that speechmaking. in terms of the Tennessee Jarrett Forum, it is a family oriented organization.

00:14:15:04 - 00:14:38:23

Speaker 1

it's it's, sort of a service organization, deals with a lot of, Hispanic veterans issues, but a lot of educational issues and community issues and, that type of thing. And as I said, they sponsor they're one of the sponsors of the San Jose, Scholarship Foundation. they sponsor the Fiesta Center held downtown Cinco de Mayo, the 15th of September.

00:14:38:26 - 00:15:04:02

Speaker 1

They sponsor all of the festivities, that are held. they also have a, alcohol recovery home that comes with a Nueva that they sponsor here in San Jose. And of course, they sponsor the pageant. So that's that's the organization that that, you would be representing. the pageant is on Saturday, March 16th is just over a month away.

00:15:04:04 - 00:15:24:10

Speaker 1

and that night, we'll have a champagne reception from 615 to 7, on. no host free champagne for for the people that are there. The pageant runs from 7 to 830, some hour and a half. That's not a lot of time, because we have nine young women who have to do their walk and and give their speech.

00:15:24:10 - 00:15:45:06

Speaker 1

And so we have to be very sure that we, you know, we do it as well as we can within the time situation, because then we have entertainment that starts up once the pageant has ended. We have, a mariachi that's going to play for an hour. And so, lots of venues, folkloric dance group will also be dancing that evening.

00:15:45:08 - 00:16:05:10

Speaker 1

And then we have a dance. my daughter's band from Stockton will be playing terrific band. He played this at the pageant last year, and he's one of the San Jose de forms favorite bands. And, so it'll be a fun evening, and we want you to have fun. We want this whole thing to to, to be something that's enjoyable for you.

00:16:05:12 - 00:16:30:25

Speaker 1

and as I said, it's at the Santa Clara County Fairgrounds. You know, that's a big, big place. We will get some parking passes for you. Each of you will have one parking pass for you and your parents. we will have two complimentary tickets for each one of you. For your parents, and of course, all of you will be guests of the the forum and of course, going to talk to you about, the ticket situation, because we're going to see what we can do to.

00:16:30:25 - 00:16:55:16

Unknown

To make those available so you don't have to. I don't know, Carol. Counselor? Okay. If you have, you know, present the extended family that you want to invite. let me know sometime before the pageant, and I'll go ahead and get tickets for you. Your tickets are \$15 a person, \$25 or something. So, like Carmen said, your parents get them through, but anybody else has to pay for them.

00:16:55:18 - 00:17:03:11

Unknown

So, just let me know how many you may need. We'll go ahead and make arrangements and we'll have them in here. The following. Okay.

00:17:03:14 - 00:17:16:27

Speaker 1

And as Carol said, the tickets are \$25 a couple, but for \$25. you can sign up and become a member of this entity beer form and you get a free ticket. So that's another way of looking at that.

00:17:17:03 - 00:17:23:18

Unknown

So you can pick about having your parents that are becoming members.

00:17:23:21 - 00:17:39:09

Speaker 1

I want to just tell you real briefly what the stage set up is for that night of the pageant. It is in a big pavilion. The stage will be set up against one of the walls. So it's a very large stage. There are set of stairs going up each side.

00:17:39:12 - 00:17:50:08

Unknown

I think there's 4 or 5 steps going up onto the stage. Why? You need the escort to accompany up the stage? they will be shooting on the stage. Monica will be sitting in the middle.

00:17:50:10 - 00:18:15:24

Speaker 1

And the pink contestants on her side will have two podiums because we have, mistress of ceremonies, and we have.

00:18:15:26 - 00:18:22:00

Speaker 1

Primarily seats at that. And the pink.

00:18:22:02 - 00:18:41:16

Speaker 1

Kathleen. In 1982, she was the San Jose State of the National Queen. So she's agreed to to be the Queen. Commentator. this year, she's presently a student at, excuse me, her last year at law school at Yale. And she just happens to be here that week. That's when we get the spring break. It's a funny calendar.

00:18:41:16 - 00:18:47:12

Speaker 1

So she'll be here. She will be on the program. I know the several of you mentioned law school, has an interest.

00:18:47:15 - 00:18:53:29

Unknown

and so she'd be happy to talk to anyone who wants to talk to her about that. That's, you know, that possibility.

00:18:54:01 - 00:19:01:05

Speaker 1

So those are the two people who will be on the stage with you that evening?

00:19:01:07 - 00:19:04:23

Unknown

the escorts. What we'll do is we'll be off to the side.

00:19:04:23 - 00:19:18:07

Speaker 1

Then the marine escort will walk through in time with me and I. You you'll be entered. You'll be introduced to the audience. There will say something about something. We'll have a comment about.

00:19:18:07 - 00:19:23:05

Unknown

Each one of you will get that information from your in the.

00:19:23:05 - 00:19:26:22

Speaker 1

Spotlight on you walk in front of the audience.

00:19:26:22 - 00:19:32:24

Unknown

And then up the step and then you're seated. So that's that's the procession onto the stage.

00:19:32:27 - 00:19:33:24

Speaker 1

Are you first or last.

00:19:33:24 - 00:19:39:09

Unknown

I forget, I think you're okay. I was I so then the last person.

00:19:39:12 - 00:20:10:00

Speaker 1

Is the queen. First or last I don't recall that. Order first. Okay. So Monica would be leading the procession. and then the program starts and, the the Mrs. ceremonies will introduce the dignitaries who are there in the audience. That's that evening. And then and then, introduce the judges. We will have a panel of judges, five judges in the tally judge who are, you know, people from the community, business people, educators, that type of thing.

00:20:10:02 - 00:20:37:22

Speaker 1

And, and they they'll be introduced, then we'll get into each of you doing your walk and giving your speech. And then while the judges do the tally, tallying up the numbers, then we'll have some entertainment so you don't have to sit there in silence while those numbers are being added. hopefully we'll keep the momentum going during the whole pageant so that there's no reason for you to to get nervous about sitting up there.

00:20:37:22 - 00:21:04:12

Speaker 1

It'll be busy. and the judging is based 40% on your speech, so that's really important. That's, for the primary, thing they look at in terms of deciding who the queen is, 30% are on duty appearance and 30% on points. So that's why these rehearsals are from 40, because that's the only opportunity that judges will have to get a view of you.

00:21:04:14 - 00:21:08:24

Speaker 1

Because, as you know, that evening, that you're. Because I mean yourself.

00:21:08:27 - 00:21:16:21

Unknown

so the speech is particularly important. I want you to start thinking about, about working on it.

00:21:16:23 - 00:21:40:24

Speaker 1

And maybe some of you have already, you know, got your, your, your whatever subject to this you've chosen. Maybe you're real clear about that, but, what are the common some of the, the themes that run through some of the speeches I've heard are education, something with special interest. Be something that's really important to you as a human being.

00:21:40:26 - 00:21:43:08

Speaker 1

The anything you want. It can be anything you choose. It's a.

00:21:43:08 - 00:21:48:07

Speaker 2

Topic. Do something that's affecting society. Right? Community. It could be about yourself.

00:21:48:10 - 00:21:54:05

Unknown

It could be if you have a role model, if I, your mother. Anything, anything. You know, a culture, whatever.

00:21:54:08 - 00:22:11:24

Speaker 1

There are no, no, guidelines in terms of that. Whatever you choose to speak on that, you know, you can present with confidence and, and, and that you, you know, that's up to you.

00:22:11:26 - 00:22:21:16

Unknown

as I say, next week we'll concentrate a little more on that, meeting tomorrow was a secret. I worked at, Saturdays in college, and I'm meeting tomorrow with with a woman there who?

00:22:21:17 - 00:22:39:26

Speaker 1

Her speeches that I promise. Tucker. she's a Chicana, and I was hoping she could come to one of our sessions, but she's teaching on Tuesday, so she can't. I'm going to meet with her, and she's going to, give me some pointers that I can share with you in terms of, you know, how to prepare for your speech, how to get her over your place of nerves.

00:22:39:28 - 00:22:45:22

Unknown

That you may have, and that professors are hoping I can share some of that with you. And next week.

00:22:45:24 - 00:22:47:15

Speaker 1

and we may have some people here who.

00:22:47:15 - 00:23:02:19

Unknown

Who, you know, work. You know, I've done that type of thing before, but all of for all of us, you know, I know that it's not an easy thing to do. I know, typical for me. So I, understand what how difficult that can be.

00:23:02:21 - 00:23:11:12

Speaker 1

and also at the next rehearsal, we're going to have the videotape of speeches, past speeches that things have made. So you have some idea.

00:23:11:15 - 00:23:31:01

Unknown

you know, what kind of topics, what kind of applications have been presented? in the past. So we have lots of video from a lot of the past present. So we'll share those with you. And hopefully that'll give you some idea of we'll give you whatever guidance we can in terms of your speech. We'll have different people hearing the teachers and giving you some feedback.

00:23:31:04 - 00:24:02:28

Unknown

And then we can you to give you whatever. So just to account, if you have other people listen to it, listen to yourself, to your to have other people listen. Because you might there might be a teacher schools you may want to, have listen to what for you whatever means you you you choose to to decide just what it is you want to say that usually another good idea to attach to is to try placing it within, like dictating to paper cutting and like, paper so that,

00:24:03:00 - 00:24:12:05

Speaker 2

You can hear yourself and sometimes you think, oh, like I'm funny. And then, you know, I have to keep in my voice and I will say, nice stereo, hi voice, but it helps listening to it, to.

00:24:12:05 - 00:24:23:16

Unknown

Tape recorder and something like that. the dress you'll be wearing, that neither the. And it has to be a formal noun.

00:24:23:18 - 00:24:51:18

Speaker 1

Has to be for lunch or ankle length. it cannot be black. It cannot be strapless. one of the things that we've, we've noticed, I mentioned that the former, pattern coordinator is that usually it's, it's the young women that have, a dress, the color in it that seems to be winning. I don't know if the dress has that much, make that much difference, but that was something that Rose mentioned.

00:24:51:20 - 00:25:06:10

Speaker 1

The chief of defense is that, again, women stay away from white. I thought it was a white dress, and she was. So I don't know. That's pretty much up to you. The background of it is white, right? Kind of. Yeah, kind of boring. Didn't kind of washed out. So you might think about wearing color. That's the.

00:25:06:16 - 00:25:09:16

Speaker 2

Thing. It's really up to you. And I think you want to get it that way.

00:25:09:16 - 00:25:14:17

Unknown

Like from the bottom. Yeah. The one green.

00:25:14:19 - 00:25:34:03

Speaker 1

Yeah. Right. It's black except black. but it does have to be for lunch. can't be, as I said, strapless and, but by all means, wear something that's, that's suitable and and flattering to you. And, there's some guidelines in the folder here at that and give you some ideas there.

00:25:34:05 - 00:25:38:25

Speaker 2

00:25:39:07 - 00:26:02:22

Speaker 1

your audience will be bilingual. There'll be people in audience who are primarily English speakers, but there will be people there that are non-English speakers. So you might want to consider that present for your speech. There's different ways of doing that. I've heard, one kind of one contestant once gave a speech in English and did it in Spanish, but that means you can only say half of what you'd like to say.

00:26:02:24 - 00:26:14:14

Speaker 1

Sometimes it's it's usually primarily in English, but if you want to interject Spanish in it, I think that's perfectly appropriate and probably appreciated by the audience. That's up to you. And so,

00:26:14:16 - 00:26:25:22

Unknown

Most of the judges, they all understand that, audio visual. Yeah. Yeah, that's a good point. Them. Yeah.

00:26:25:25 - 00:26:26:27

Speaker 1

All the judges for.

00:26:26:27 - 00:26:32:20

Unknown

One are Hispanic. And so, that's that says.

00:26:32:27 - 00:26:34:04

Speaker 1

So if you choose.

00:26:34:04 - 00:26:48:18

Unknown

To, to say it in Spanish, that's how you feel about that. So I think I would say make it essentially in English. But if you want to be Spanish, I have. It in English. The.

00:26:48:21 - 00:26:54:25

Unknown

And I said Korea. So so yeah a lot of times you know young.

00:26:55:02 - 00:27:07:26

Speaker 3

Women don't award went to in Spanish in the speech. I think that's pretty effective. I've seen it down a lot and, I think you did it. Did you like it? Yeah. She can do a couple of words in Spanish. And, the comment.

00:27:07:29 - 00:27:14:22

Speaker 2

And when I, you know, I took more than that.

00:27:14:25 - 00:27:38:18

Speaker 1

okay. I'm almost here. okay. That's all I am. As I say, as Monica mentioned, we'd like you to wear your handles to the first lesson. If you really will help in terms of feeling more comfortable in those shoes.

And at some point, we'll need that. The description, and I, we will give is to reality. The third runner up, a second runner for the first runner up in between.

00:27:38:20 - 00:27:41:25

Speaker 1

And, we will have a trophy for each one.

00:27:41:27 - 00:28:03:20

Speaker 2

And the night before or the last. Last night. choose names within, you know, with each other. You guys will just write on a piece of paper who you choose and with congeniality. So that's why important people. Important for all you guys to really get to know each other, you, really get to interact later on in your you get make many friends.

00:28:03:22 - 00:28:06:01

Speaker 2

It's a good experience.

00:28:06:04 - 00:28:31:11

Speaker 1

the people will be presented the trophies and the roses and that, usually, local officials, and so you'll have to have some interaction with those people. Also, we have several queens who have one state and national titles. In the past several years since my she's been retired for San Jose, Queens with state Queen titles in Queens, since 1980 and won national titles, including Monaco.

00:28:31:11 - 00:28:55:04

Speaker 1

So, I think we do a good job. We carry the Queens to give us the confidence to do well, to go on to win other titles. The state conference. You're just so you'll know whoever is the Queen will go on to the state. Competition is in July, July 11th to 14th. And when of Palm Beach is in Southern California, the national conference this year, the state queen also is in Houston, Texas.

00:28:55:07 - 00:29:06:01

Speaker 1

And that's August 18th. And the chapter is very supportive of our local Queen. as Monaco can attest to that. You know.

00:29:06:03 - 00:29:31:26

Speaker 2

I think San Jose is probably one of the better, right? I've gone to California for the state chapter and then also national national chapter. I find Tampa Bay the most important is it really makes you feel part of the palm, really makes you feel welcome. And then this this training that you guys are doing all these rehearsals, we are very lucky because that not all of the other pageants, the other city goes, none of the NFL chapters go through the same kind of training.

00:29:31:26 - 00:29:44:01

Speaker 2

You know what it you they really help later on in you might even still remember your speech I do it's been a year. I still have my.

00:29:44:03 - 00:29:54:20

Speaker 2

Family. Good you guys we gained a lot a lot of confidence. You'll get to know each other, you know, like I say, you remember your speech. It's just something that really makes you feel proud.

00:29:54:20 - 00:30:00:01

Unknown

Of who you are. Your culture, where you come from.

00:30:00:03 - 00:30:22:28

Speaker 2

I really enjoy helping out with this. You know, I want to be able to get to know, you know, the other communities that go hate later on together. It's it's all a good experience. Another thing this is not

really, like considered a beauty pageant, a beauty contest for yeah I grew everyone has their beauty. It's mainly like the judges are mainly judging you on your speech.

00:30:23:00 - 00:30:38:10

Speaker 2

So that's why speech is very important to be present. Well, we will be practicing a lot about that. But you guys, when you're up there, you might cause everyone's natural feel nervous, but you'll get used to it. Yeah. Once you're up there, you'll get.

00:30:38:13 - 00:30:42:05

Unknown

To see your speech.

00:30:42:07 - 00:30:43:09

Unknown

00:30:43:24 - 00:30:48:26

Speaker 1

00:30:48:29 - 00:30:58:10

Unknown

Comments here or someone know. So you know.

00:30:58:13 - 00:31:02:02

Speaker 2

that is we're about ready. well, we'll go.

00:31:02:02 - 00:31:05:23

Speaker 1

Ahead and set up the videotape so you can watch last year's pageant.

00:31:05:26 - 00:31:07:17

Speaker 2

I'd like you all to stay because we're.

00:31:07:17 - 00:31:16:27

Speaker 1

00:31:16:27 - 00:31:19:03

Speaker 2

Caroline and Monica are here.

00:31:19:05 - 00:31:25:23

Speaker 1

ask us whatever questions you have. I will be glad to answer anyway.

00:31:25:24 - 00:31:32:16

Speaker 2

What I what? I just go ahead and just do it alphabetically.

00:31:32:19 - 00:31:49:15

Speaker 3

Everybody gets a little nervous, including myself. think with us. This is very.

00:31:49:18 - 00:31:58:25

Speaker 3

00:32:05:15 - 00:32:21:11

Speaker 3

You okay? What I'm going to do is a little bit. Okay, now, that's. That's enough time.

00:32:21:14 - 00:32:33:12

Speaker 3

For next.

00:32:33:14 - 00:32:36:03

Speaker 3

Video. No. Okay. Well.

00:32:36:05 - 00:32:47:08

Unknown

Actually, very important.

00:32:47:10 - 00:32:59:13

Unknown

I. Can.

00:32:59:15 - 00:33:03:08

Unknown

Okay. Everyone can be.

00:33:03:10 - 00:33:05:23

Speaker 3

Okay, great.

00:33:05:26 - 00:33:10:18

Unknown

But when they come, you might as well usually if you know, want.

00:33:10:20 - 00:33:17:03

Speaker 3

To put your hands right.

00:33:17:06 - 00:33:22:13

Speaker 2

00:33:22:16 - 00:33:28:24

Speaker 2

I put it in, like. Gosh, I never thought of that here.

00:33:28:26 - 00:33:32:14

Speaker 3

I don't know, guys.

00:33:32:14 - 00:33:40:08

Speaker 2

I think pictures and, like, I like to think of cheesy smiles like.

00:33:40:11 - 00:33:52:25

Speaker 3

No, no. Oh, that's that's okay. I oh, my got, Yeah.

00:33:52:27 - 00:34:15:25

Speaker 3

I have okay. What did you need them? hang on a second.

00:34:15:27 - 00:34:19:25

Unknown

Okay. Do not know that.

00:34:19:27 - 00:34:25:08

Unknown

Pretty cool. Oh, yeah. Not far.

00:34:25:10 - 00:34:33:14

Speaker 3

Out here. One more time. Come on, everybody, come. Okay.

00:34:33:16 - 00:34:40:02

Unknown

I can get about for something.

00:34:40:04 - 00:34:45:22

Unknown

Here with.

00:34:45:24 - 00:34:51:12

Speaker 2

Me.

00:34:51:14 - 00:35:01:06

Unknown

And. These are some. I think the only thing I.

00:35:01:08 - 00:35:08:22

Unknown

Have. Here for you.

00:35:08:25 - 00:35:18:24

Unknown

To remember.

00:35:18:27 - 00:35:25:03

Unknown

You're right here. Why don't you come here in the corner.

00:35:25:06 - 00:35:26:18

Speaker 3

And you do not.

00:35:26:20 - 00:35:49:09

Unknown

Have a framework. Is welcome. I to thank you. Coming. Your community. It's our family all around. I want to be clear. I want to return. Curious. I am here to work to help them build their brand. I want to give a part of myself. I'm here now. I think what you like.

00:35:49:09 - 00:35:56:02

Speaker 2

You will be 155% minority. Therefore, we need to take a step forward, creating a very dynamic.

00:35:56:02 - 00:36:00:22

Unknown

And nonviolent society in a human. So at the beginning.

00:36:00:22 - 00:36:09:06

Speaker 2

For you to get here, give me, give me you back thing. I know, I know, you don't to thank you right.

00:36:09:06 - 00:36:12:29

Speaker 1

Have thank you for doing that.

00:36:13:01 - 00:36:15:03

Speaker 5

I, I that's what's good. I have these.

00:36:15:03 - 00:36:16:19

Speaker 3

Huge lights.

00:36:16:21 - 00:36:32:23

Speaker 1

on the floor by the stage and, you know, it's a lot of bright light and that's what I want, Margie, you know, to talk to you next week. A that that's a long time to say, oh, my might. And it's like a row of

bright lights like this one on each end stage in the professional lights. So you need to be prepared for that too.

00:36:32:26 - 00:36:35:27

Speaker 2

Yeah. So would you come in and, you know.

00:36:35:27 - 00:36:38:08

Speaker 1

Bring your fingertips next week okay.

00:36:38:10 - 00:36:40:02

Speaker 3

To walk through the motions here if you want to.

00:36:40:09 - 00:36:41:20

Speaker 2

Okay. Yeah.

00:36:41:22 - 00:36:45:21

Speaker 3

Well I can just go over there and then get up and walk.

00:36:45:23 - 00:36:50:17

Speaker 2

00:36:50:20 - 00:37:14:17

Speaker 3

Okay. Go ahead. Time.

00:37:14:19 - 00:37:36:24

Speaker 2

Okay. We are young, but we know that when people refer to this esthetic question, they mean we're members of a minority group. They mean we're at a disadvantage because they have low expectations of us. Then even Mexican-Americans get the idea that they cannot succeed. It is already hard enough to succeed without being stereotyped or discriminated. We have to make our way through.

00:37:36:24 - 00:38:00:11

Speaker 2

Nothing would stop us. When I read newspapers and magazines or watch television, I realize that the whole world is moving into the 21st century with big problems with opportunities as any other century. I worry that I might not even go to live to it successfully shows that if they see many problems. One of those problems is the high school dropout rate, which hurts us a lot.

00:38:00:13 - 00:38:21:11

Speaker 2

I myself have learned that it is up to the individual I have seen in my own family that I it can be done. My oldest brother grew up. I went to high school during the time which others were very popular, but with bad and poor invitations. My brother struggled through it. He graduated from the university and is employed by a very prestigious company, Combing.

00:38:21:13 - 00:38:43:19

Speaker 2

This is the type of role model for young Hispanic the Mexican American made. It is that many Mexicans do not care about their future and instead of keeping up with school, they would waste their time and lives getting involved in drugs and crime. They should look for role models in our own community. There are many Mexican Americans who are hardworking, respectable and successful individuals.

00:38:43:21 - 00:39:07:18

Speaker 2

We must have a goal and whatever it is, we must educate ourselves. My brother made you realize that it is possible to succeed in spite of the many obstacles we face. I think that education is the key to our future and that we are responsible for our success. We must not pay attention to other people. Most vacations of us are best defense against our cause, the prejudice in education and pride in our heritage.

00:39:07:21 - 00:39:32:03

Speaker 2

We must learn the history of our ancestors and be proud of our culture and language, our parents language, our language. Education will help us succeed and live in useful and productive life. As Mexican Americans. I have read that by the year 2000, the percentage of Mexican Americans in California alone will be much greater than today. If the 21st century is going to be ours that make it happen.

00:39:32:03 - 00:39:36:16

Speaker 2

I know it can be done.

00:39:36:18 - 00:40:04:08

Speaker 3

Go ahead.

00:40:04:11 - 00:40:06:09

Unknown

What to do from head to toe.

00:40:06:09 - 00:40:28:24

Speaker 2

And be prepared in your time. Practice. Have a have a dress rehearsal. Do your hair. Do your makeup practice and your dress. Some warm dresses are very warm fitting. You may be practicing in your jeans, in the house, and all of a sudden you put this formfitting dress on and you find you have to take little tiny little steps.

00:40:28:26 - 00:40:37:00

Speaker 2

You can't walk the way you were practicing. You have to take very small steps and sometimes it feels a little bit awkward. So make sure you're practicing.

00:40:37:00 - 00:40:42:05

Unknown

All the time. You.

00:40:42:07 - 00:40:59:29

Speaker 2

I'd like to speak to you a little bit about your hair. I want to touch the different points your hair, your dress, and your walk I've already covered. And of course, your face and your makeup, your hair. You want to be sure that you do not wear a lot of hair on your face, a lot of things.

00:41:00:00 - 00:41:01:06

Speaker 1

On your face.

00:41:01:08 - 00:41:07:09

Speaker 2

Because you'll be very disappointed when you see your photos, your photographs. It just totally shadows your eyes.

00:41:07:09 - 00:41:09:01

Speaker 1

Out and all we see is like.

00:41:09:01 - 00:41:28:16

Speaker 2

A nose and a smile cheeks. And though I have a lot of hair right here, if you need bangs, you want to have them kind of. Maybe a fringy tight bag or control from it's controlled and not super heavy or past your eyebrows. Remember I said, here's an image for high school and there should be an image to look for.

00:41:28:16 - 00:41:39:23

Speaker 2

This particular. Some of you need to have bangs because of your shape, face. If you have an oblong shape based on very high forehead.

00:41:39:25 - 00:41:44:20

Unknown

You do need to have a point. You better.

00:41:44:23 - 00:42:04:16

Speaker 2

It's going to make your face look more oval. So I'm not. Don't get the impression that they don't wear bangs. I'm just saying have been told and not have so long that it's blocking out your eyes. Your eyes are very important.

00:42:04:19 - 00:42:31:19

Speaker 2

Latino Mexicano is Gano Americana, Chicano. These are the labels used in this society to describe my ethnic background. I accept these labels because I know that I am a descendant of Mexican parents, the label I can accept, but I cannot and will not accept the attitude of leaders in our community who believe that because we are of Mexican descent, we cannot succeed as well as those who are not Mexican.

00:42:31:22 - 00:42:53:11

Speaker 2

We are at a disadvantage because others have such long protection us. It is already hard enough to succeed in this world without being stereotyped or discriminated. But we have to fight against this negative attitude and make our way through. Studies show Hispanics face many problems in the near future. One of the major problems is the high percentage of school dropout, which hurts us a lot.

00:42:53:13 - 00:43:19:03

Speaker 2

But I myself have learned that it is up to the individual I have seen in my own family that it can be done well for other group. I grew up and went to high school during the time when children were very popular, but with bad and poor reputations. He struggled to succeed and he graduated from university and is employed by a very prestigious company, the Silicon Valley.

00:43:19:06 - 00:43:41:02

Speaker 2

These are the type of role models for young Hispanics and Mexican-Americans need. It is sad to see many Mexicans who do not care about their future, and instead of keeping up with school, they waste their time and life getting involved in drug gangs and crime. We need to look for role models in our community. There are many Mexican Americans who are hardworking, respectable and successful individuals.

00:43:41:04 - 00:44:08:20

Speaker 2

We must have a goal and whatever it is, we must educate ourselves. My brother made me realize it is possible to succeed in spite of the many obstacles we face. I believe that education is the key to our future and that we are responsible for success. We must not pay attention to other people's no expectations events. Our best defense, our best defense against stereotypes and prejudice is education and pride in our heritage.

00:44:08:22 - 00:44:30:25

Speaker 2

We must learn the history of our ancestors and be proud of our culture and our language. Education will help us succeed and the more useful and productive lives of Mexican Americans. If the 21st century is going to be ours, let's make it happen. I know it can be done to supplement.

00:44:30:27 - 00:45:02:12

Speaker 2

My brother grew up at a time when channels were very popular, the farm, but with bad and poor reputations and struggle. But he struggled and made it through, and he graduated from university. And

now we're at a very prestigious company in Silicon Valley. These are the times. These are the types of role models young Mexican Americans need.

00:45:02:14 - 00:45:23:07

Speaker 2

And it is sad to see that many young Mexicans are getting into drugs, gangs and crime. We need to look. We need to look for common in our community.

00:45:23:09 - 00:45:27:12

Unknown

And that there are many.

00:45:27:14 - 00:45:35:08

Speaker 2

Mexican Americans. Who are hard working and.

00:45:35:10 - 00:45:57:24

Unknown

Respectable individuals. Okay. That's good.

00:45:57:27 - 00:46:07:26

Speaker 3

But this is very. It also gives you the programing society to follow and play.

00:46:07:29 - 00:46:44:28

Speaker 3

to see where people go to see around. I need to, I need to hear. Yes, yes. Okay. Well, the reason I can't see it is because the lines right here in my eyes. So, I'm reading Sonia's situation. This is from Buford College to come forward and let's, give a big round of applause to, able to see 20.

00:46:45:00 - 00:46:52:17

Unknown

People this year, chairman of the American. We are going to send a very tender old number one.

00:46:52:19 - 00:46:55:05

Speaker 3

I think that referred to everyone on the list with a reference.
