Memo to : Democratic Nominees, Southern California
From: Trudy Owens, State Women's Chairman

Following our tradition of awarding keys to outstanding women volunteers for their work in campaigns, we are planning to hold a Key Awards Brunch in January.

Will you please send me a list of women in your district, with their addresses, whom you feel are qualified to receive this award for their work in the campaign. We want the names of women who really put in lots of time and effort, not those who just dropped in to headquarters. We especially want to honor those who worked hard on registration and get out the vote.

I will advise you as to the time and place of this event, and hope that if your schedule permits, you may be able to attend to see the women being honored. Speaker of the Assembly, Jesse M. Unruh, will present the awards to the women.

Your prompt attention to sending the list will be appreciated as it will be necessary to send the invitations to these women in early December.

Miss Jane Tolmach

Dear Jan:

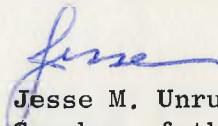

I would like to take this means to congratulate you on your election as a member of the Democratic County Central Committee.

I believe strongly that the role of the Central Committee in the Democratic Party structure must be strengthened and made more meaningful. I hope that you agree and that all of us Democratic officeholders, from Central Committee on up, will work together to do this over the next two years.

Our immediate goal, of course, is to achieve victory in the November election. President Johnson and Democratic incumbents and nominees for Congress and the Legislature are counting on you to work hard and put California solidly in the Democratic column.

In these vital efforts, you have my very best wishes and my support.

Sincerely,

Jesse M. Unruh
Speaker of the Assembly
