Certain special regulations concerning enrollment in 190 and 290 courses during a summer session will be found in the *Summer Session Catalog*.

**Credit for Noncollegiate Instruction.** CSU, Fresno grants undergraduate degree credit for successful completion of non-collegiate instruction, either military or civilian, appropriate to the baccalaureate, that has been recommended by the Commission on Educational Credit and Credentials of the American Council on Education. The number of units allowed are those recommended in the *Guide to the Evaluation of Educational Experience in the Armed Services* and the *National Guide to Educational Credit for Training Programs*.

**Credit for Military Service Course/Work.** Four semester units of lower-division elective credit is given if the student was on active military duty for at least one year and a day. An applicant for credit must submit a copy of *Notice of Separation* (DD214).

DANTES (Defense Activity for Non-Traditional Educational Support) maintains the educational records of the service men and women who have completed S.S.T.'s (Subject Standardized Tests), CLEP (College Level Examination Program) examinations and G.E.D. tests. DANTES has also maintained U.S.A.F.I. (United States Armed Forces Institute) transcripts since that organization ceased to exist in 1974.

College credit will be awarded for acceptable S.S.T. scores as recommended by DANTES. Equivalency for S.S.T. credit will be determined by CSU, Fresno departments. Other credits recommended by DANTES (CLEP, etc.) must meet university guidelines for the awarding of credit for those examinations.

DANTES/U.S.A.F.I. correspondence credit is combined with other extension or correspondence course work to a maximum of 24 semester units.

Additional credit is granted for military courses and experiences as recommended in *A Guide to the Evaluation of Educational Experiences in the Armed Services*. The applicant for such credit must submit official documents giving all details such as location and length.

**College Level Examination Program.** The College Level Examination Program (CLEP) is designed to be a means through which recognition, academic credit, and placement may be given for less conventional forms of educational experience. Those who may have reached a college level of education through home or correspondence study, on-the-job training, television courses, or by other means may take the CLEP examinations, which are offered by the College Entrance Examination Board.

Within the restrictions of systemwide policy, CSU, Fresno will award credit for successfully completed CLEP examinations. Such credit will be applied to the total units required for the baccalaureate degree, but it will not be applied to the General Education requirement.

Not all CLEP examinations are acceptable under system policy. Subject examinations may require the recommendation of the appropriate department before credit is awarded.

Course equivalency is also determined by the department concerned.
