4 vie for 3 open board seats; ballots are due in by June 21

Harold Goldwasser

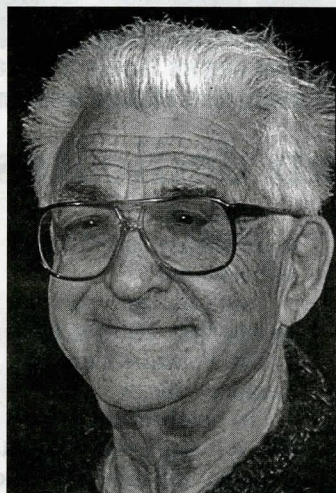

Harold Goldwasser, a 4½-year resident of Village 11, says he is running for the Board "to keep the Village moving forward and to make sure its priorities are only first class."

His main priorities for the Village: "It should be looked upon as the most desired and advanced retirement village."

He sees as the main issue, "keeping negativity out and only positive thinking in."

Goldwasser has served on the Board of Directors as secretary and treasurer and liaison to Landscape. He has served on the Channel 25, Insurance, Building and Grounds and Safety

Please see **GOLDWASSER** on 11

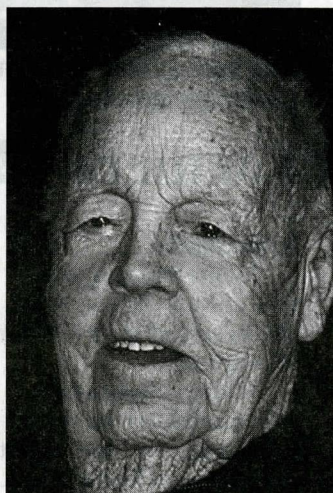

Ted Lansing

Theodore E. "Ted" Lansing, a 4½-year resident of Village 3, says this is why he is running for the Board: "For four-plus years, while being active in numerous committees and clubs, I have enjoyed the friendliness and dedication of my fellow residents in helping the Village to achieve its community goal of enhancing the quality of life here. As a member of the Board, I can continue to contribute and expand my efforts in pursuit of that goal."

His main priorities for the Village are: "I want to continue the progress of previous boards in achieving ever more efficient

Please see **LANSING** on 11

Burt Swallow

Burton T. Swallow, a six-year resident of Village 15, says his main priorities for the Village are "to maintain a good working relationship with the Village membership, employees and Board of Directors."

He has been involved with the Woodshop for six years and the Actors Guild and Channel 25. He served on the Architectural Committee for six years and was co-chair for two years and chairman for three years.

Swallow was the 1981-92 Senior Senator for Lake and Mendocino Counties. In 1991, the governor appointed him to the Califor-

Carol Sweeney-Zimmet

R. Carol Sweeney-Zimmet, a 12-year resident of Village 14, says she is running for the Board because, "I believe that Leisure Village is an incredible place to live and I have the management and business background as well as the four years experience on the Board to make a contribution to the continued smooth running of the Association."

She sees as the main priorities for the Village: "It is my belief that as a Board member my primary responsibility is to maintain and improve the value of each individual unit within the Village, including the maintenance, landscape

This election, as are all elections, is important. So please remember to vote.

Please read and see the picture of the Jackie Sinatra Herb Garden on Page 2.

There will be no Classic Film in June.

Please read the article pertaining to the election on Page 3.

There is a lovely poem by Bill Fox for Father's Day on Page 8.

Read the article about falling by Jack Carlson of Village 6 on Page 10. It may save you a lot of heartache.

Remember to get your tickets for the tribute to Neil Diamond. See Page 6.

Dear Mrs. is tired and taking vacation time. She'll return after the summer. Check out her advice on Page 9.

Next issue: July 13

The July issue will come out on July 13 and not on the first Friday of the month, July 6. This is due to production issues caused by the Fourth of July holiday.

I would like to congratulate the Woodshop members, and especially Jim Ronge, for the professional workmanship he used to repair one of our dining room chairs.

This set is more than 53 years old, and my wife Rose was heartbroken when the leg on the chair cracked. Gluing was tried and was unsuccessful. Jim undertook the job of removing the broken leg, making a new leg out of a similar piece of mahogany, and refinishing it to match the existing chair. The

result was perfect.

The members of the Woodshop Committee are here helping residents every week with repairs to cherished old wood pieces and do so without charge. At most, the resident might have to purchase materials if something is not available in the shop. The labor they voluntarily provide is "priceless." Where else could you find a skilled woodworker willing to undertake the kind of jobs they fix?

This herb garden living memorial honors Jackie Sinatra, who shared her wealth of gardening knowledge for 15 years with Village residents.

Farmers Club dedicates herb garden

By Joe Dishlip

Jackie Sinatra, a native of New Jersey, won the hearts of many in our community.

Without hesitation she shared her wealth of knowledge and her bountiful garden of herbs. For 15 years, her contributions

were always helpful and appreciated.

Jackie's last wish was to ask that tributes be sent to the Farmers Club of Leisure Village.

In celebration of her life, a living memorial has been established with the generous contributions

given by Jackie's friends and family. This sunny and delightful garden area has been named, "Jackie Sinatra's Herb Garden."

The Farmers Club Committee will maintain the memorial and, in her name, will distribute the herbs grown.

Club helps members breathe better

By Lorraine Comer

Last month was the smallest turnout since the Better Breathers started. I can only hope that the

past participants are out enjoying themselves and using all the techniques learned during previous sessions.

With the warmer weather, we tend to spend more time outdoors, so it is my wish that you are enjoying this time. This is one of the reasons we live here.

So, once again, I remind you to remember better breathing techniques that will help you get things done a little more easily.

If you need a refresher, let's get together to discuss taking care of ourselves.

We discuss any special problems you might have.

Hope to see all of you looking to improve your everyday life the second Wednesday of the month at 10 a.m. in the Sun Room.

Elect those ready to serve

It is the policy of this paper not to endorse any candidates for election to the Association's Board of Directors.

That does not mean we do not care about the election. As residents of the Village, we know the importance of the board to the economic and aesthetic well being of our community.

There are four candidates for three open seats.

We hear the usual pre-election chatter about the strengths or weaknesses of this or that candidate's "personality." As far as we are concerned, election to the board is not a personality contest. These days, all around us, we

have enough examples of the dangers of judging candidates on personalities only.

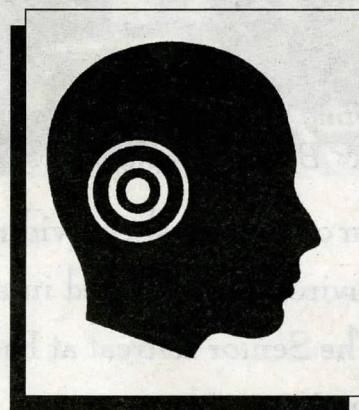

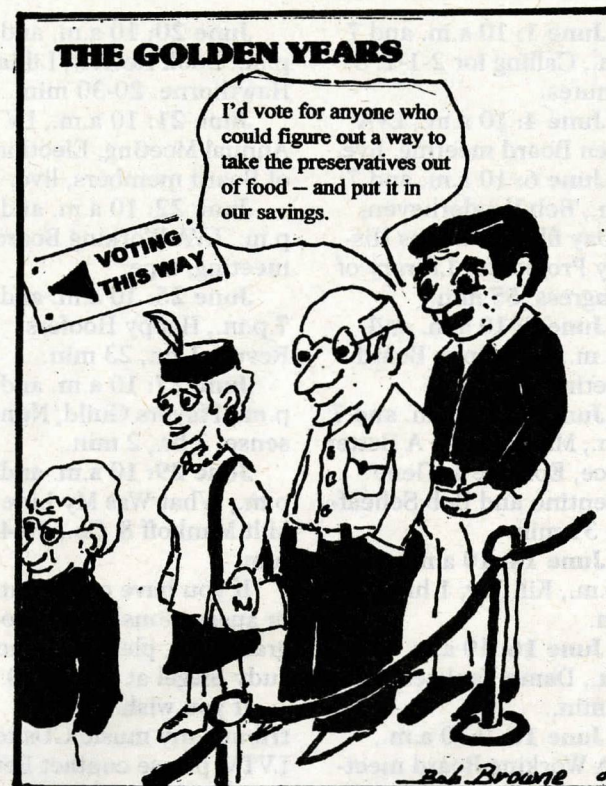

Granted, there is a political element in all elections, but ours is not an election of politicians. No candidate for our Board can or should represent a special interest, real or imagined.

From what we have observed, the single most important quality a candidate must have is the willingness to take on a heavy burden that will eat into their personal lives — each must be ready to give many hours to the task. Aside from whatever satisfaction one takes from meeting such a challenge

and whatever honor one finds in serving others, there is no material benefit to taking on the task.

Once elected, Board members' duties are clearly spelled out in our CC&Rs (Article III) and By-Laws (Article VII). These documents make no mention of special interests or personality qualifications.

In our opinion, the only qualification each voter should consider is which candidates will do the best job of carrying out their clearly stated duties for the good of the entire community — not just for today, but for tomorrow and tomorrow as well.

Showtyme brings tribute to Neil Diamond on July 29

Showtyme presents "Fantastic Diamond: Tribute to Neil Diamond" in the Assembly Room on July 29 at 2 p.m.

The show is absolutely fantastic, and we have rearranged the seating to allow for many more aisle seats. This show will have you standing, applauding and singing along, and some may want to dance in the aisle. This is going to be a fun Showtyme afternoon for all who attend.

Fantastic Diamond is an incredible live tribute show that takes the audience through a musical

journey of Neil Diamond's greatest hits that span the last 40 years.

The show will feature vocalist Kevin Hogan, five incredible musicians and a backup singer. Kevin possesses the unique ability to perform and sound just like Neil Diamond.

This uncanny talent enables Fantastic Diamond to recreate and perform the music in a way that would make Neil himself proud!

Fantastic Diamond performs regularly at private and public events all around Southern Califor-

nia. The band is a frequent performer at Disneyland and California Adventure. Recently, Fantastic Diamond played at the Canyon Club, at the Aqua Caliente Hotel Casino, at the Reagan Library and at many Concerts in the Park.

The opening act will be the funny man himself, Allan Kent, with his dog. Allan was a big hit when he appeared last August, and many requests were made for us to invite him to perform again.

Tickets will be on sale Please see **DIAMOND** on 8

Buyer's market

By Peggy Marcketta
Fox Home Real Estate

When deciding to sell or lease your home in today's market, take into account market conditions, property values and tax implications.

Keep in mind your home is only worth what a qualified buyer is willing to pay at the time it is on the market. Fluctuations based on supply and demand, interest rates and general economic conditions such as a buyer's market vs. a seller's market can all be about timing.

If your timing to sell or lease does occur during a buyer's market, try to spend as little as possible on presale improvements. Focus on small, relatively inexpensive touch-ups such as a fresh coat of neutral paint; a thorough cleaning inside, including appliances; having carpets cleaned and deodorized; and a cleaning out of closets and cabinets. Don't overlook the exterior for curb appeal.

Selling or leasing, no matter the timing, season or reason, is both a major economic and personal decision. These tips will help you in making your home stand alone, reflecting: "Mi Casa Es Su Casa!" "My House is Your House!"

(Peggy Marcketta and Fox Home Real Estate can be reached at 987-4369.)

Before you sell

By Sharron Parker
Troop Real Estate, Inc.

If and when you consider selling your home in Leisure Village, our Lei-

sure Village Association has some tips that you should know before you list your property.

The primary goal of our Association and the Building & Grounds, as well as the Architectural Committee, is the safety and appearance of the Village.

Any changes made to the outside of our homes requires a permit. Any structural change requires a City of Camarillo building permit.

Per Rule 6.15, all wood fence that abuts Leisure Village or Mountain View Drive upon sale of the residence must be replaced with either slumpstone or vinyl. A sufficient amount to replace the fence must be held in escrow for no more than 90 days after the close of escrow, at which time the buyer must complete the installation of the new replaced fence.

The only approved planter bed edging is concrete or brick in mortar.

Indoor/outdoor carpet is no longer allowed at front entrances, only in enclosed patios with a proper Architectural permit.

All improvements on the property are checked to be sure that permits are on file. If missing, the owner or agent must obtain one.

Agents who are familiar with Leisure Village Rules & Regulations can be very helpful and possibly save you money.

(Sharron Parker and Troop Real Estate can be reached at 443-1998.)

Documents galore

By Dave Barlow
Barlow Williams Realty

Many home buyers and sellers wonder why there are so many agreements and disclosures to

sign when buying or selling a home. The answer: because there have been so many laws and lawsuits that involve real estate.

Understand that no one likes doing all the paperwork involved in buying or selling a home, but it is a necessary process to try to best protect the rights of everyone involved.

One secret to making the buying or selling process easier is to choose a knowledgeable agent with whom you feel comfortable communicating and who will help you get through all of the paperwork.

There is a true saying about the world we live in. My mother had it on the bathroom wall as we grew

up. It says, "No job is finished until the paperwork is done." I grew up as a boy thinking that only applied to the bathroom, but I have learned as a man it really means "no job."

In addition to doing the proper paperwork while "in" a transaction, you may need some forms like a grant deed or an affidavit for something you are doing "after" the transaction.

If you need any documents, let us know and we will try to help you out. We have a copy of most documents here in the office.

Mann returns to Village

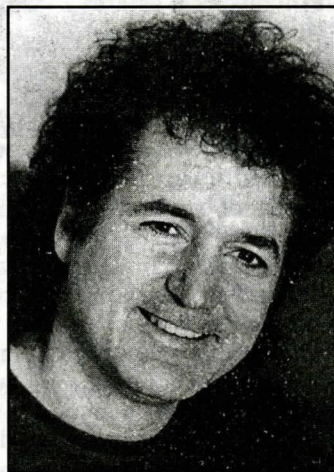

By Margarete Nayfack

The great Mann is back — Harve Mann, that is: singer, songwriter, keyboardist, guitarist.

For the past several years, this multi-talented musician has performed on the Las Vegas circuit.

Harve's mother, a classical musician, brought in a piano teacher for him at age 5. At 9, he started singing, and as his voice developed. Guitar lessons were added. By 12, Harve performed every week at various venues. He wrote and performed his own music. He attended Philadelphia Music Academy, then took a road tour, lasting 10 years, of the United States, including Alaska and Puerto Rico, and also Canada.

While working in New York, he appeared four times on the David Letterman Show and on two

Father's Day

By Bill Fox

Father's Day is a great day.
We just can't get enough.
That's why we had children,
So they can buy us stuff.

What will I get this year?
Maybe a brand new ring.
It might be a beautiful watch.
Boy! That would be the thing!

It could be new golf clubs.
Wouldn't that be great?
They'd help bring my golf score
Down to about 128.

While each year I wonder
What will my children buy.
They never disappoint me.
I get ... another tie!

Although I'm only kidding
I'll love whatever it may be.
Because it's from my wife and kids
Who bought it just for me.

Dear Mrs.: Kissless in LV

Dear Mrs.,
I have a fine social life and get along well with the ladies. They seem to enjoy my company and rarely refuse an invitation for an evening out. My question is, none of my lady friends are willing to kiss me. They are affectionate in other ways, touching or hugging. Isn't this an unusual reaction?

— Just wondering, V. 71

Dear Wondering,
Some women enjoy the company of men but have a phobia about intimacy. To others, not wanting to kiss may indicate a psychological problem, including the issue of hygiene. On the other hand, you just

might want to consider a different approach. Ever heard of Listerine or Scope?

Dear Mrs.,
With the weather getting warmer, I guess we have to put up with some residents' teenage grandchildren cavorting around the pool in their little tiny bathing suits. I'm afraid that my husband and the other men are going to get too excited. What can we do?

— Perplexed, V. 45
Dear Perplexed,
If you don't know what to do when the men get excited, ask the kids.

Afraid of a nasty fall? Here are tips to avoid one

By Jack Carlson, V. 6

Over the years, I have personally witnessed a few people fall. The sound of a human body striking the ground makes a perturbing sound. Visualize a large duffle bag full of clothes dropping from a height of 10 feet to the ground. When a person hits the ground, the weight of the body causes bones to break.

Statistics regarding falling are ominous: More than 40 percent of people hospitalized from hip fractures never return home because they are no longer capable of living independently; 25 percent

of those who have serious falls pass away each year.

Falling is the bane of those of over 65.

The good news is that with adequate knowledge, most falls can be prevented. We need to raise our awareness level whenever we move about.

Falls occur when people don't look where they are walking. I recently took my wife to the Camarillo Train Station and saw a woman pull her suitcase up over a curb onto the platform. Her husband followed behind her, failed to see the curb, and fell flat on his face. He wasn't looking where

he was going. Fortunately, he was just shaken up and escaped serious injury.

There are some practical remedies we can take to insure safety in our home:

Don't turn a room into an obstacle course. Have clear paths for walking in your home.

Use a non-stick backing to secure throw rugs; keep floors clear of clutter, and run electrical and phone cords along walls.

Keep your kitchen user-friendly by placing frequently used items on shelves within easy reach.

In the bathroom, non-slip bathmats and area

rugs are a must.

Don't use towel bars for support, they are not made to bear extra weight.

Use a night light in the bathroom.

If you have difficulty bending or stooping, don't bend down to pick up objects off the floor. Wait until someone can assist you.

Outdoor falls usually occur when people are distracted by looking everywhere except where they are going. Hazards are numerous: cracks in the sidewalks, curbs, protruding tree roots, uneven sidewalks, changes in elevation, garden hoses and,

of course, steps. When walking outdoors, wear good, comfortable walking shoes with non-skid soles.

The four essential elements of exercise are strength, flexibility, endurance and balance.

If you feel you are prone to falling, visit a health professional to get a risk assessment for falling. For those of you who have Internet access, check out these informative Websites:

Players Guild

By Stan Reshes

At its monthly meeting on Thursday, June 21, the Players Guild Workshop will present the ever-popular recreation of an old radio favorite, "Inner Sanctum Mystery."

Originally aired in 1946, this production, directed by Milt Mankoff, features a stellar cast and all the original sound effects. Who can forget Raymond and the sound of the creaking door? Diehard fans (I'm one for sure) may recall, "The Man Who Could Not Die," a real spine-tingler.

Our stage will become an old-time radio studio, and you'll be able to close your eyes and imagine the good old days when we sat glued to our radios and

let our imagination take us wherever the drama unfolded.

We'll all exhale afterward with the free refreshments following the show. Mark the date and time, 7:30 p.m., in the AR.

Remember the Fantastic Diamonds show in July. See the article in this month's Inside Leisure Village for ticket information and showtime.

L.V. Mens Golf Association

By Mannie Abbate

The next monthly meetings of the Leisure Village Men's Golf Association will be Tuesday, June 12, at 2 p.m. with social time starting at 1:30 p.m.

On May 17, we had The Tournament of Champions at Elkins Ranch Golf Course. Results will be announced at the Installation of Officers and Awards Luncheon on June 20.

On Thursday, June 7, first start 9 a.m., we play at the newly renovated Olivas Park Links Course. Some of us have already played it and the reports are most favorable. It bears no similarity to the old Olivas. It is truly a links course with lots of rough and not too many

trees. The good news is that you don't have to hit over water as much as before, but you had better try to hit your drives in the fairways. The greens are bigger and the grass is nice. The front nine grass is not as good as the back nine, but by the time we play this tournament, it will probably have filled in more. It is fun to play and beautiful to see.

On June 20, the new Board of Officers will be installed. They are: President, John Thorne; 1st VP, Elliott Sklar; 2nd VP, John Palmer; Treasurer, John Wirtz and Secretary, Bob Hinkel. If you haven't bought your tickets it is not too late. You will also be able to thank Joe Smith for the great job he did as 2nd vice president. He ably filled Jack Kirkland's shoes entertaining us this last year. He says this will be his "Swan Song," so be sure to attend.

On Thursday, June 28, first start, 9:38 a.m., we play at River Ridge Golf Course. The fee is \$36, including carts. You are again reminded that checks for the regulation golf tournaments should

be placed in the white box behind the glass doors next to the Ladies Golf Shack, not in the brown box over the water fountain. That one is for dues and regulation cards only!

Watch Channel 25 or Channel 861 and look at the bulletin board at the golf course for further social and tournament information.

I am sure all of you have been enjoying the springtime with all the beautiful flowers.

There will be a potluck dinner in the Assembly Room on the second Thursday, June 7, at 6 p.m. Assignments are as follows: A-E, salad; F-Q, main dish; R-Z, dessert.

Then we will meet again with our brown bag lunch on the third Thursday, June 21, in the Lanai Room at 12:30 p.m. After lunch, we will have our business meeting. See you there!

The Mavericks are holding two social events in June.

The first is on Sunday, June 10. This is a Sunday sports event called "Golf & Games." Meet at the picnic area at 9:30 a.m. Coffee and Danish pastry will be provided. You may split up in groups and play whatever sports appeal to

you — golf, tennis, shuffleboard, paddle tennis, chess, swimming. Bring your own picnic lunch. The grill will be working. Call John Wirtz 384-8508 or Natalie Moses 383-0770 for details.

The second event is our regular meeting. This will be on Thursday, June 28, at 7 p.m. in the Pavilion. This will be an ice cream social. We will also have karaoke music. Last names beginning with A-L bring ice cream and a scoop, enough to serve five people. Last names beginning with M-Z bring toppings — fruit, nuts, syrup, whipped cream — enough to serve five people. Members are free. Non-members are \$3. Call John Wirtz at 384-8508 or Natalie Moses at 383-0770

for details.

CLUB NEWS

Keyboard Club

By Allan B. Caldwell

Gabriel is not the only who who blew his horn. At our April 17 meeting, the talented LV musicians again performed admirably.

The program started with Guy Moshier playing the organ with special enthusiastic acclaim. This was followed by Dick Guttman and Sam Aroesty, who did a duet playing the organ and saxophone, respectively. It was great! Later in the program, they did another duet, but this time, Dick played the piano and Sam played the saxophone.

Dick Guttman challenged us to a musical quiz, which asked us to name the movie in which the song was featured. After about five songs, the first award of two tickets to the Edwards Theater was given to Selma Weiss, and second prize went to Margarete Nayfack.

Barbara Rosenberg entertained us with several bright tunes on the piano, which was followed by Stan Van Sant playing the clarinet and flute. He dedicated some of his beautiful and exciting music to Dick Guttman, whom he credited with encouraging him to create his own music. To illustrate the point, he played his own Clarinet Polka, which was very much enjoyed by all attendees. Stan also gave us a treat by playing his electric trumpet, which sounds much like a trumpet quartet. It was unusual and delightful.

As usual, refreshments were served by Margarete Nayfack and Judy Smith, while Dick Guttman provided the background music with soft organ music.

Join us at 1:30 p.m. on the fourth Friday of each month in the AR.

Billiard Club

By Jack Quinn

The results of last month's 8-ball tournament are as follows:

First place in the SA group went to Ray Martinez; second place, Sam Kay; and Aleta Trogdon took third place.

In the A group, Bill Foeller won first place, Frank De Simone got second, and Kay Bell was in third place.

For the B group, Walt Maich got first place, Sonia Hughes was in second, and Ernie Ohmstedt was third.

The club's picnic in the park is scheduled for Sunday, June 10. The menu planned is Nathan's hot dogs, beans, cole slaw, dessert, popcorn, soft drinks, coffee and games for an enjoyable afternoon. All this is for \$6 per person. For tickets, contact Betty Herrmann at 388-9696.

Track lighting has been installed in the Billiard Room, thereby adding ambience.

Computer Club

By Duane Waln

In the April Inside Leisure Village, a brief article spoke of a special "reconfiguration" meeting planned for the third Saturday of the month. I'm happy to report it turned out to be a remarkable shot in the arm, with 21 folks present, plus another three regretting not being able to come. We've gotten a clear new sense of direction and a feeling that changing to a Saturday meeting date is a wise move.

The May meeting featured transferring photos from a camera memory chip to a full-blown musical slide show, including the intermediate steps and corrections that one usually wants to make.

On June 16, we're having a digital camera workshop in the lab at the new Saturday 11 a.m. time with several relative experts on hand so we can have a near one-on-one situation for folks having trouble using their cameras, especially handling the menus! What computer

you use isn't important in this session.

On July 21, Tom Hudson, Ron Stram's friend and Mac guru, has offered us an iLife presentation. iLife, of course is the Apple umbrella program that contains iTunes, iMovie, iDVD, GarageBand and iPhoto! All these should be exciting!

Our Club Championship Tournament was played April 25 and May 2, and we congratulate our new 2007-08 Champions! Jan Gerk is Club Champion for the 18ers and Maria Meyers is Club Champion for the 9ers. Congratulations, ladies!

The yearly term for our Board of Directors ends in June. We expressed our sincere thanks and gratitude to all 2006-2007 officers at our Appreciation Luncheon on May 9. More thanks go to Meriam Laird and her eager crew for putting on this delicious party/luncheon.

Our new Board of Directors will take over in July. They are: President, Donna Duke; 1st Vice President, Naomi Sklar; 2nd Vice President, Susan Schneider; 3rd Vice President, Meriam Laird; Secretary, Liz Byrnes; Treasurer, Judy Hamilton; and Corresponding Secretary, Rosemary Woody. We say, "Welcome, ladies!"

Writers Club

By Lois Keeler

The Writers Club meets every Monday afternoon at 1 p.m. in the Sun Room. We welcome any new members who like to

write any type of story or those who like to listen to interesting works of others. This is done in a non-threatening atmosphere where critiquing is done when the author wants it. We always enjoy our sessions and would like to extend ourselves to others to learn or just sit in.

On June 4, our leader, Kenney Nelson, has invited Colleen Cason from the Ventura County Star to join us, and it should be a really fun session. We always come away feeling we have learned something or just enjoyed ourselves. Hope to see you there.

Country Line Dance

By Ida Kubica

Country Line Dance Workshop meets on Tuesdays from 3 to 4:30 p.m. in the AR. Routine refresh and basic dance steps are instructed at 2:45 for anyone who is interested. New to the class? Be there! It will take the mystery out of what the class is about and give you confidence. But

remember, attending class regularly is the only way to implant the dances in the brain with repetition. We all started that way.

Well, it's that time of year again: election of club officers. The best part is that all the officers of 2006 agreed to take their positions again. President is Rhoda Smithkin; 1st Vice President, Andrea Moran; 2nd Vice President, Sylvia Belsky; Secretary, Marie Donnel; Corresponding Secretary, Susan Burke; Treasurer, Edith Vanicek.

Assisting the Board are Betty Dean, review coordinator; Ruth Rigg, Sunshine Lady; Ida Kubica, publicity; Judy Siegal, attendance. Last but not least are all the volunteer donation and cleanup people. It takes active club members to make a club successful. Thanks to one and all for a job well done.

An Ice Cream Social on June 5 will mark the Installation of Officers.

Give yourself permission to be human, don't beat yourself up for making dancing mistakes. It's the path to learning. New members and seasoned

ones, "See you in class!"

For information about the club, call Rhoda Smithkin 484-8132.

The Leisure Village Exercise Group launched its annual membership drive with a complimentary Members Only Breakfast at the Pool Pavilion. Volunteers presented platters of bagels, cream cheese, muffins, coffee and tea.

Many new residents are finding their way to this welcoming activity.

Plans have been com-

pleted now for the Gala Picnic Dinner on Friday, June 29. Country Harvest has been engaged to cater a full-course delicious dinner. Tables of 10 may be reserved in advance. Also featured will be contests at the golf and bocce courts, with prizes for the winners. Many more valuable door prizes will be taken home by lucky winners. Price for members is \$13, and guests are welcome at a slight added charge. Shiphrah Maller and Jerry Cohen are in charge of the arrangements. Halloween Potluck Dinner Celebration on October 26. Each table of 10 makes up its own menu of favorite dishes, and everyone enjoys the costume parade contest. This is a really fun evening. Watch for further details in the coming months.

The idea for forming this Exercise Group was originated by a physician who was a resident. After a siege of heart problems, he was advised to start an exercise rehab program to aid recovery.

The present program was put together with the assistance of some physical therapy specialists. It features bending, stretching and cardiovascular movements that fit the needs of senior adults. It works to keep muscles and joints in working condition and is very helpful in improving and maintaining good balance.

Exercise can help to improve your outlook on life. It's a good way to start the day in a positive way.

Exercises are held Monday through Friday from 8:30 to 9 a.m. at the Pool Pavilion. The Leisure

Village Exercise Group welcomes all residents to join the fun.

Farmers Club

By Joe Dishlip

Our warm weather has arrived with the month of June. All of our gardens should have been planted by now. The weather is warm enough for the seeds to germinate and plants to obtain good strong roots for growing.

Vacation time has arrived. Remember our Patch Patrol will be available to tend and water your garden while you are away. An up-to-date list of the Patch Patrol is posted on the glass-enclosed bulletin board just inside the West Gate of the garden. Renee Ellie is in charge of the Patch Patrol.

The Farmers Club will have an Open House on Saturday, June 9, from 9 to 11 a.m. and from 1 to 3

p.m. All Villagers are welcome to attend the Open House.

We will have our Annual Picnic in July. More information will be forthcoming.

Village Painters

By Aurelie Zachary

The featured artist at our May 2 meeting was watercolor artist, Elizabeth Miller. It was most interesting to watch her unique style. She uses a wide brush for a wash over the area surrounding the point of interest, and a corner of the same brush for details.

While she painted, she graciously answered many questions. Unfortunately, she wasn't able to finish the picture. She will donate it the Village Painters when it is complete.

The club will hold a raffle for the watercolor by David Deyell, who demonstrated his watercolor skills at the March 7 meeting.

Saturday Night Dance

By Milan Weiss

The Saturday Night Dance Party draws Villagers out of their homes and into the AR. Another definition of a Villager is one who loves a party and can "sniff-out" the drum and heart beats of a party, and there certainly have been a few in the AR on Saturday nights!

One that went "clear over the top" was the

May Rick Tucker Country Western night! It was blast-off time in the AR, and it felt like rocket fuel was the propellant! It brought out a lot of dancers, and the floor was shared by line dancers who did their thing up front by the stage and couple dancing, sometimes three and foursomes, at the rear of the dance floor. There was action galore! You could see and feel the energy.

It was a great mix of dancers, and it worked even without the playing of "New York, New York" and "Elvira," the two very popular line dance numbers here in the Village. And there is no question, it was party night!

There will be more of the popular country-western dancing along with occasional rock & roll music requested by those who enjoy that beat. And, for those who love their ballroom dancing, that music will always be there for you.

Have you noticed? Villagers love their swing dancing. That always gets them off their duff and onto the floor. Yay hoo!

Welcome back, Jean

Clements, who has attended these dances since 1984. Jean broke her hip a year and a half ago and has needed the healing time. It is so good to see Jean back! She is a lovely lady and dances with the grace of a gazelle!

It is also great to see Mel Ducharme at the SNDP. Watch him! He will leave his wheelchair at the table, stand up, grab his spot on the dance floor and, with a partner, "cut a rug!"

Dances are every Saturday night except as otherwise noted and start at 7:30 p.m. in the AR. The price is \$5 per person.

The dance schedule is as follows: June 2, Moore Music; June 9, Rick Tucker, Country Western; June 16, Jerry Dokken Quartet; June 23, Aristocats; June 30, Jerry Dokken and a Happy Birthday USA!

Pick and plan your Saturday evening to be at the dance party. Bring your family and friends, celebrate your special occasions and just enjoy.

This is your evening, so come on out and share your company with others.

Racquet Club

By Anne Wolfson

The Racquet Club meets the second Wednesday of the month in the Multi-Purpose Room. We are a very active group of tennis, paddle tennis and table tennis players and welcome all Villagers to join us!

June 23 is the date for our picnic, so put it on your calendar now and watch for ticket sales.

Square Dance

By Raye Gabriel

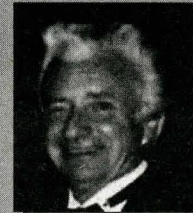

Our caller, Arlen Miller, known up and down the coast, sings us fun songs. We dance Tuesdays in the AR at 7 p.m. No partners are required. Refreshments are served.

Beginning classes are now in session starting at 7:30 p.m.

The best-kept secret: Square dancing is more fun than aerobics!

Women's Club

By Eldora Barton

The Women's Club meets the first Thursday of the month at 1:30 p.m. in the AR for its general business meeting, which is followed by entertainment. Each Tuesday from 9 to 11 a.m., the Workshop group meets in the MPR to sew, knit and do handcrafts. These items

are available for sale. Monies from Workshop sales are donated to outside charities and to Leisure Village non-budgeted projects.

At our next general meeting, Thursday, June 7, we will be joined by the Humdingers, a fun group of ladies from Thousand Oaks who sing and will want us to sing with them. They are seniors entertaining seniors. Come join in and see what this group does with a song. There will be a \$2 charge for non-members.

See's Candy certificates are always available at the meetings, or call Donna Duke at 987-2627. Checks only, please. The cost is \$12.75.

Another activity we enter into is saving labels and proofs of purchase that are eligible for redemption in Campbell's Labels for Education Program. We would appreciate any labels from Campbell's, Franco-American, Pepperidge Farm (UPC symbol), Swanson, V8, and Vlasic Pickle (logo area of label) products. These are donated to local schools.

If you have small amounts of yarn left over from recent projects, these could be used by our Workshop group.
