

Annette Cal, Dec. 20 - 08

R.E. Jack Esq.

Dear Sir:

Your two communications reached me at Bakersfield. I laid the matter of running a line of Autos to Parkfield and the Coal mine, before parties interested and they think favorable of it.

I enclose herewith contracts for right of way, in your name, and the name of the R.E. Jack Co, as I did not know which name the property was in.

Am taking rights of way in my name as we want the Auto Co to raise all the funds for putting it in operation before turning over right of way to them.

Wyble and Plang of the Bank of Bakersfield, asked me if I thought you would be willing to act as a director in the Auto Co.

and I told them I could not say positively,
and advised them to communicate with you
and find out.

I have just had a party of oil men
out here looking at my property with a
view to leasing some of it on a royalty.

They appear to be pleased with the outlook
for this district.

With best regards I am

Yours Respectfully
Samuel Sanborn
