STATE CAMPAIGN CHAIRMAN, Edmund G. (Pat) Brown - Co-Chairmen: John Anson Ford, Cecil King, William H. Rosenthal, Dore Schary

April 16, 1956

Jane M. Tolmach

Oxnard, California

Dear Jane Tolmach:

As a member of the Stevenson delegation, I know you believe him to be the best man for the Democratic nomination and for President.

One of the reasons you were selected for the delegation was the fact that your name carries weight with other people.

We need to use your name, and the respect in which it is held, to advance the cause of Adlai Stevenson for President through releases quoting you to the press, radio and television.

Will you therefore be kind enough to write me a letter setting forth your views, in your own words, as to just why you believe Stevenson should be the Democratic nominee, and President.

Make the letter as long as you want, but please write it promptly and send it to me at this address.

Sincerely,

Edmund G. Brown,
Chairman
