

The Intercultural Resource Center presents a discussion with

Poet

Michele Serros

What is life like as a hyphenated American? Michele Serros is clearly accomplished performer of her work, who's gained a strong following since her success as a touring poet for Lollapalooza '94. She is the author of Chicana Falsa and her debut CD on Mouth Almighty Records. Selected Stories from Chicana Falsa is burning up the charts. You don't have to be Latino, female or a hyphenated American to enjoy her stories. She captures what the Village Voices's Elana Oumano recognizes as "more than the vagaries of Latina life in LaLa, the pressures and yearnings Serros describes are those of anyone anywhere in America."
