QUESTION PERIOD PROCEDURE

Cards will be passed out at the beginning of the conference so that staff members may write out questions which they would like to have answered by any of the participants. Place only one question on a card and address the question to the participant you think can best answer your question. Questions need not be signed. Aisle monitors will pick up cards at the beginning of the question period. Any question not answered during the STAFF CONFERENCE because of lack of time, will be answered in subsequent issues of the STAFF BULLETIN.

CRITICISMS WANTED . . .

This year's Conference Committee included: C. O. McCorkle, chairman; Warren Anderson, C. H. Gregory, Harmon Toone, Lena Gianolini, Ralph Dilts, Harry Wolfe, and R. E. Kennedy. Three members of this committee had also served on the Committee which evaluated last year's Staff Conference. The group utilized the 1953 evaluation report in planning the 1954 conference. In order to provide a similar continuity for next year, the 1954 planning committee has asked the following staff members to evaluate this conference program in terms of how well it meets the needs of our staff: Dave Grant, chairman; James McGrath, Jack A. Peterson, William Troutner, John Allen, Dan Chase, Chester Young, Kathryn Rowland.

If you have any suggestions, tell one of these staff members—won't you, please?
