Dear *Lana*

We surely do appreciate the effort you have extended on behalf of Neighborhood Councils. As of today, 12 Councils have been officially recognized by the City Council, and you had a part in their beginning.

As other Councils are trying to organize, we need to continue to be supportive and encouraging. We hope that the organization of Neighborhood Councils will make city government more meaningful for Oxnard citizens and will add to the quality of life for all of us.

Again, thanks for your effort and support in this movement.

Sincerely,

Martina McRae, Chairman
Oxnard Awareness Committee
