

Way of Tulare County and Fresno Nonprofit Advancement Consultant's Circle and may allow the American Humanities Program to seek funding for capacity-building work with local nonprofits. The course involves Dr. Don Simmons, the instructor for the course, and experienced consultants coaching each of the student teams.

Units: 3, Repeatable up to 9 units

**SOC 150T. Engaging Persons with Disabilities as Volunteers**  
Planning for, facilitating and creating an organizational culture conducive to community engagement and volunteer participation of persons with disabilities requires managers capable of working collaboratively to build projects that engage these citizens in meaningful, goal-directed work that addresses the organizational mission and meets identified need. This course is designed to address the issue of full community participation and the leadership of persons with disabilities as volunteers. This course draws on material developed by the Council for Certification for Volunteer Administration which promotes and certifies excellence in volunteer administration to advance the capacity of communities to effectively engage persons with disabilities as volunteers.
