#### **Waivers of Nonresident Fees**

Certain categories of students who are not legal residents of California and would, therefore, normally be assessed a nonresident fee, may receive financial assistance in the form of waivers of part or all of this fee. (See *Schedule of Fees*.)

With verification by the Coordinator of Financial Aids, students attending on F type visas are regularly assessed the reduced fee indicated in the *Schedule of Fees*.

With verification by the Vice President, *children or spouses of California State College academic or administrative employees*, who are not yet legal residents of California, may be exempted from the nonresident fee.

With verification by the Head of the Education Division, *certificated California school district employees* who are not yet legal residents of California, may be exempted from the nonresident fee if they are provisionally credentialed and working toward regular credentials, completing postponed requirements, or completing the fifth year required under the *Licensing of Certificated Personnel Law of 1961*.

On formal application to the Dean of Graduate Studies, a limited number of *graduate students* who are not legal residents of California, but who demonstrate superior potential for master's degree study, may be granted waivers of the nonresident fee. Based on scholarship and need, these waivers are granted competitively to not more than twenty percent of nonresident graduate students. Any student accepting such a waiver is legally obligated to carry a study program of at least ten units during each semester for which he receives the waiver. For information and application forms consult the Dean of Graduate Studies.

#### **College Association and Foundation Loan Funds**

The college maintains a number of loan funds providing financial aid to students. Loans are granted on the basis of the student's financial need, his educational program and his ability to repay his obligation to the loan fund. Most of the loan funds provide limited aid to students on an emergency basis. However, larger loans are available to senior and graduate students. These loans may be repaid after completion of the degree or credential work. The Fresno State College Association Loan Fund is administered by the Fresno State College Association, Inc. The other loan funds are held in trust by the Fresno State College Foundation. These loan funds, in general, are not available to entering students.

Applications for loans are processed through the Coordinator of Financial Aids, Fresno State College, Fresno, California 93726.

*The Agricultural Project Loans* are provided by the Fresno State College Foundation. These loans provide financial backing to regularly enrolled students engaged in approved agricultural projects in field crops, horticulture, viticulture, ornamental horticulture, livestock, poultry and dairy. Arrangements for project loans may be made by students through their advisers.

*The K. Arakelian Foundation Loan Fund* was established by the K. Arakelian Foundation and provides financial assistance to senior and graduate students attending Fresno State College. Loans granted from this fund may be repaid after graduation.

*The Mary C. Baker Trust Fund* was established by Mary C. Baker, a former dean of women. It provides small emergency loans to students.
