## United States Senate

COMMITTEE ON  
INTERSTATE AND FOREIGN COMMERCE

April 13, 1961

Mrs. Jane Tolmach  
Oxnard, California

Dear Jane:

I have received a reply from the Joint Committee on Atomic Energy regarding your letter opposing any further dumping or test dumping of any atomic waste material in the ocean waters along the coast line of the United States.

I am enclosing information on this matter from the Atomic Energy Commission which I hope will answer any questions you may have on the subject.

You will note that the Ventura Chamber of Commerce met with a member of the Atomic Energy Commission staff on February 21, 1961 for discussion of sea dumping of radioactive wastes. It is my understanding that the members of the Ventura County Democratic Central Committee were present at this meeting.

If I can be of further help to you do not hesitate to let me know.

Best personal regards.

Sincerely yours,

CLAIR ENGLE  
U. S. Senator
